- Worship for this Sunday, 24th January
- Church opening times for private prayer
- Morning Prayers
- New Area Dean for North Wiltshire
- Message from **Purton Surgery** for their patients aged 80+ re Covid vaccinations

Worship for Sunday 24th January

- **[Upper Thames online Service - Water into Wine](#)**
Sunday Upper Thames Group Sunday worship Jan 24th includes an agape fellowship meal, so do feel free to have food and drink (water or wine, tea or coffee, bread, biscuits or cake) as we share time together. Our theme is God's abundant grace as we hear of how Jesus transformed water into wine at a wedding (John 2:1-11). And do light your own candle for our prayer time. Words used in the service are here:
[Jan 24th 2021 Abundant Grace & Agape words for all.pdf](#)
- **Informal Worship**
Please contact Sarah Smith for more information on this week's Informal Worship and to receive the Zoom link – sarahsmith@talktalk.net.

The link for Thursday will be sent out nearer the time.

New Area Dean for North Wiltshire

It has been announced that the new Area Dean for North Wiltshire is the Reverend Steve Wilkinson, Rector of the Woodbridge Group of Churches.

Message from Purton Surgery re Covid vaccinations for their patients aged 80+

"We are desperately trying to contact all our patients that are 80 years of age or over, who would like a Covid vaccine and can get to Malmesbury Primary Care Centre. We have already vaccinated 736 of our patients at the Malmesbury clinics, but due to the late notice we receive of the vaccine delivery date, we are struggling to contact everyone in time. If you, a friend or family member over 80 years old who is a Purton surgery patient and would like a Covid vaccine, and can attend the next clinic on SATURDAY 30th JANUARY at Malmesbury Primary Care Centre, please contact the surgery and

leave your name and contact number with the reception team. We will then call you back to book an appointment for you."
