Food Bank

The Reverend Michael Hill, who helps at St Baldred's and St Adrian's, has started volunteering for the food-bank and says that they are desperately short of plastic carrier bags for making up food orders. If you have a collection at home and would like to recycle them, please drop them off at St Baldred's.

Pastoral Visits

The Minister and Pastoral Assistant are happy to make contact with church members by request. This information should be given to the Minister (890800) or via the Church Office (892800). Please note that for privacy reasons, any request must come from the person, or from a family member.

It would also be helpful to have a mobile number, and the number of the person's next of kin.

We Need You

Abbey Projectionists are desperately needing a couple of helpers for the rota on a Sunday. If you think you could possibly get involved, please speak to Andrew Cobb or let the office know. Full training and support will be given.

Denis Duncan Lecture 24th November at 7pm

The Denis Duncan Lecture is an annual event which focuses on the links between health and faith. It is run in partnership with the Church of Scotland and seeks to explore the healing ministry, communication and a whole person approach to wellbeing. This year we are delighted to welcome Dr. Ruth Valerio as the speaker.

Losing connection: does the natural world matter for the future health of humanity?

Our earth is in crisis, but what does it matter to humanity? In this age of human power and domination, do we need the natural world anymore? How does the covid-19 pandemic speak to these issues, and what is the role of the church in healing and rebuilding the world in its wake? Join us as we explore connection to the natural world, issues of global justice and shaping the future health of humanity and the planet we inhabit.

Dr Ruth Valerio is Global Advocacy and Influencing Director at Tearfund. An environmentalist, theologian and social activist. She is Canon Theologian at Rochester Cathedral and her home church is part of the 24/7 Prayer Network.

The online event will also include a time of prayer and space to engage with the lecture through discussions and questions.
