

Some more about Alpha

You can view a short video with information on at www.alpha.org.uk

We believe that everyone should have the chance to explore faith, ask questions and share their point of view. Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation. Alpha is run all around the globe and everyone is welcome. No two Alphas look the same, but they generally have three key things in common; hospitality, good conversation and making friends.
