

A selection of prayers from students at Sir Thomas Boteler CE High School

Dear God,

Please make sure the new Bishop of Chester is a Man/Woman who can be trusted. They have to be respectful and be a good role model so it is important that they are the right person. We pray that you guide the recruitment process and the right person is appointed.

Amen

Dear God,

I pray that whoever is appointed is the right person and a great Bishop. I know it is a difficult and complicated process and pray that those making the decisions are guided by your hand.

Lord in your mercy, hear our prayer

Amen.

Dear God,

I pray to Christ my lord; I appreciate the Bishop and the role they will have to do. I pray that they are the right person and that you will make it clear so that they do well in the role.

Amen

Dear God,

I am writing my prayer to you to tell you about the new Bishop. We need one strong in faith, religion and a good Christian role model. It is important that they are an inspiration to others and will set a good example for us to follow.

Amen

Dear God,

Let us be grateful of our new Bishop and let us respect them. We will respect them in every way and they will also show respect as they model how to follow you.

We thank God for this opportunity as he helps us through thick and thin. I trust that the right person will be appointed and that Gods plans will be shown through the role.

Amen

Dear God,

I pray for the Bishop, that he/she will be strong in faith and strong to others. I pray that those doing the appointment will be able to see the right person as God will make it clear who is the right person for the job. I pray that the Diocese of Chester and the wider North West area will be greatly blessed by the new Bishop and faith will be strong.

Amen

Dear God,

I pray that the people recruiting the Bishop will make the right choice and identify the right person. The person will have a strong faith, be resilient and a good Christian to inspire others. I pray that your blessing be on the process and everyone will know your peace as they make this exciting decision.

Amen

Dear God,

I pray for the Bishop of Chester to do a good job in their new role. I know it is not an easy role and it takes a special person to do it, therefore please make it clear who is the right person during the interviews. It is important that Chester gets the right person and only you know who that is. Please make your plans clear to those involved so that we can continue to see you at work in our area.

Amen

Dear Lord,

We pray for the group of people involved in recruiting the new Bishop of Chester. We pray that you will give them wisdom and guidance in recognising the right person. We know that you have plans that far exceed our own and we pray that the group are able to act with sensitivity and discernment.

We know you have great plans for Chester and the local area and we're excited to see who will be appointed.

We pray for a wise and spiritual choice and that your will be done.

Amen
