INTRODUCTION

Bishop Mark's book, *Clinging to the Cross* (Little House in Joppa, 2023), can be used as a four week study course, at Lent or at another time, and might be used as a way to discuss our response to the Living in Love and Faith (LLF) project (in the Church of England).

Each main chapter has questions for reflection (called 'Pausing for Breath') at the end, and therefore the book can be used as it is if you would like to do this.

Further audio resources and questions are provided (and linked below) as well, in order to enable this course to be used by people .

Obtaining the book

The book can be ordered directly from Amazon by following the links below, or if you would like to purchase 10 or more copies these may be obtained from Bishop's House at a discount. Please e-mail Rachel Hsuan on rachel.hsuan@chester.anglican.org if you would like to discuss this option.
