

Love Jesus Love Life

An A-Z of Jesus by Bowdon Church School

**Jesus is Air; we need him to breathe,
And an Anchor stabilising us when we're in choppy seas.
He's a Beacon too; illuminating the way,
And a Blanket as well, warming us on a cold day.
Jesus is a Caretaker, looking after us like Mr G,
And a Dictionary, giving us the right words when we speak.
He's a Dove - he is peace - and an Eagle, soaring high,
He is an Eraser, rubbing out mistakes and not asking why.
Jesus is Frosting; he makes life much sweeter,
He is the original GOAT* and definitely a keeper!
Jesus is Glasses; he helps us to see,
He is Google too, providing wisdom for free.
Jesus is Home, where we feel safe and secure.
He is Inviting and Inclusive; his love is 100% pure.
Jesus is a woolly Jumper, comforting and cosy,
He is the Key to happiness and making life rosy.
Jesus is a Lifeguard, watching out for us all day,
And a Lightbulb, indicating the right way.
Jesus is a Miracle Worker, he performed great deeds,**

He is a Never-Give-Upper, who plucks out life's weeds.

Jesus is the Nucleus, the centre of everything,

He is an Oak tree, standing strong against any wind.

Jesus is an Oasis, quenching our spiritual thirst,

He is a Parachute, ensuring we don't crash down to earth.

Jesus is a Promise Keeper; upon whom we can always rely,

He is Quintessential, the most perfect ever guy!

Jesus is Quartz, ubiquitous and strong,

He is the ultimate Resource, teaching right from wrong.

Jesus is a Raft, a human life-saver,

He is the Salt of life, giving it flavour.

He is a Therapist, supporting us when our emotional batteries are low,

He is an Umbrella, keeping us dry when life rains on us so.

Jesus is Vegetables, we need Him for good health,

He is Water too, and gives us spiritual Wealth.

Jesus is an X-ray - he knows us to the core,

He is Yeast, making us grow and be strong ever more.

Jesus is Yin & Yang; he balances out life's wobbles,

He is Yesterday, today and tomorrow.

Jesus is a Zebra Crossing; with him there is never strife.

And finally, Jesus is the Zest - we love Jesus and we love life!

***GOAT = Greatest Of All Time**
