

Five resources to help children move from primary to secondary school

By Jonny Masters, Youth, Children and Families' Adviser

Jonny Masters works with churches and church leaders ministering to young people and families. He says there are lots of resources available to support churches and families, particularly as their young people move from primary to secondary school.

Research has shown that moving from primary to secondary school is an important moment in the faith journey of our young people. Please pray for them, their families, and their schools.

- 1 It's Your Move | Scripture Union** - A book to help students think about their move and prepare for what lies ahead.
- 2 Prayer Spaces In Schools** - Create a reflective space for pupils to think about their experiences of primary school and their hopes and fears for secondary school.
- 3 Prayers for Schools | Pray For Schools** - Find ways to pray for your local school here.
- 4 Kitchen Table Project | Ten things we can do at home** - Tools to help you talk about faith with your children or grandchildren.
- 5 Faith at Home | The Church of England** - If you're a parent, school leader, or church leader, there are resources here to help you engage with children and young people.
