

Please join us for a relaxed and informal evening of dialogue with our special guest. Refreshments will be served from 6:30pm until 7:00pm when we will move on to the main event: a conversation with a person who has a fascinating story to tell.

Dr. Krish Kandiah

Krish Kandiah is the founder of Sanctuary Foundation. He has worked with refugees for over 25 years with a particular interest in child welfare. Krish has developed support networks for refugees from Kosovo to Afghanistan and from Hong Kong to Ukraine.

He and his wife Miriam are foster parents themselves and their family has welcomed many children in the care system as well as a number of refugee children.

In February 2022 he launched Sanctuary Foundation, a registered charity aiming to support families, churches and community groups to welcome Ukranian refugees. Krish and The Sanctuary Foundation have played a key role in welcoming the 140,000 refugees to the UK over the past twelve months.

We are delighted that he is able to come to share his life and his work with us at Sundays at Seven.

Join us for a glass of wine at 6.30pm followed by the interview at 7pm.
