

The Diocese of
Canterbury

Dear Colleagues,

Bishop Graeme Knowles, the Registrar of the Sons and Friends of the Clergy, came and spoke recently to my Senior Staff, setting out some of the grant making facilities which this charity has.

Though their grants are means tested around the level of £27,000 per year income, they are very keen to receive applications for support across a wide range, i.e. holidays; fuel allowance; clothing; retreats; house repairs; health, particularly dental treatment; Ordinand's removals and expenses, etc.. etc..
