

CONNECTED IN PRAYER:

EASTER TO PENTECOST 2020

Changing Lives Prayer Network

God ever-present:

- As we journey through pandemic times, hold us in your peace and give us courage.
- As we face the impacts of Coronavirus, we pray for healing, wisdom and freedom from fear.
- We pray for strength, wisdom and stamina for all those whose work is vital to the well-being of others at this time.
- As we reimagine community life, open to us new opportunities to share and learn with others.
- Deepen our understanding of what it means to be church, connected in love and reaching out in hope.
- May our seasonal journey with Jesus to the cross and through the open tomb assure us of resurrection life.

CHANGED LIVES @ CHANGING LIVES

**You walk with us Lord
in this season of global turbulence.
You walk with us Lord
when ‘normal’ changes day by day.
You walk with us Lord
as ‘together’ becomes something new.
You walk with us Lord,
always, in your risen presence.
Amen.**

What new rhythms of prayer might sustain you
and your church during this season?

Therefore encourage one another and build
up each other, as indeed you are doing.

1 Thessalonians 5.11
