

“Thy kingdom come, on earth as it is in heaven”.

We know that it is a kingdom of righteousness where we are accepted for who we are, made in the image of our Creator God and transformed through our Risen Lord.

We know too that the kingdom of this world is unjust, unfair and unequal. I therefore ask for your support for election to General Synod, in order to advance that kingdom of justice, tolerance, mutual flourishing and righteousness within our Church here in England.

We must be a broad church for our nation rather than a populist movement blown by the winds of society. Through the holy spirit we can be that kingdom of God, proclaiming the good news of Jesus Christ.

Within our church here in England, in order to enable Each pilgrim to experience that kingdom of God in their life, it is paramount that all spirituality within our amazing Church of England must be engaged, sustained, affirmed and utilised whether in parish ministry, chaplaincy or sector ministry.

To be true in the Mission commanded by Jesus to his Church, faithfully feeding the spiritual and tangible we must have within the Church of England, a diverse, thriving, multi faceted and mutually flourishing array of churchmanship complimenting our task to feed and nurture Our society and individuals in England.

I ask for your support in this Christ-centred challenge and for your vote is that through the prism of Jesus we may reach into our hearts enabling all in our charge to be P spiritually fed in heart, in mind and in spirit.

I am not new to the synodical process; indeed I have previously served as Clerical Secretary of synods and embrace the immense opportunities when together we utilise and affirm the many gifts, spiritualities, churchmanship and expressions of being the

Church of England in this part of the kingdom's vineyard, to serve  
and not to be served.
