'The international development charity's Big Quiz team has put a large amount of work into it in advance – thankfully we don't even have to think up questions or worry about what answers to accept! Whilst we've all taken part in quizzes recently over video calls, this promises to be a real challenge which we haven't seen before.' 'The annual Big Quiz Night is a great opportunity to bring people together and put your knowledge to the test,' said Tearfund's Global Fundraising Director, Jane Pleace. 'We are thankful that so many supporters continue to walk with us as we help some of the world's most disadvantaged people.' Every penny of the money raised will go to help change the lives of people living in poverty.
