## Theme: The Good Samaritan

### Love everyone including yourself

#### Theme exploration:

When Buddy goes to search for Elvis and finds himself in danger it is the least likely animal that helped him out. This is like the story Jesus told about the Good Samaritan: in the story a man was helped, not by a 'good person' or a 'religious person' but by a man who he thought was 'different' to him.

Jesus uses this story to tell us that we should love and help everyone that we can. Everyone deserves to be treated kindly and to be looked after, even if they are someone who does not have the same interests and views as us e.g. someone who supports a different football team.

In order to love others we need to love ourselves, because you are loved by your creator – God.

### Things for you to try this month:

- Read the Bible story of 'The Good Samaritan' or watch it here: <https://www.youtube.com/watch?v=osfQg4yKtq8>
- Draw a funny picture and put it through a neighbour's letter box to make them smile.
- Add a note to your bedroom door that you are loved by God.
- Make a list of how you can show love to others – especially those who are 'different' to you.

### We believe in the power of prayer

#### A prayer for you to pray for your family:

Dear God, we know that it not always easy to show real love. Help us to be willing to "get our hands dirty" by loving others even when it's hard to do.  
In Jesus' name. Amen.

#### A prayer we pray for you as parents:

Jesus, we thank You for the example set for us in the story of the Good Samaritan. We pray protection for these parents as they show their children how to love others.  
Amen.
