

YCCN Relay to COP26

#Risetothemoment

Young Christian Climate Network have planned a relay from G7 to COP26, Cornwall to Glasgow involving all ages in walking, praying offering support and hospitality. <https://www.yccn.uk/>

In years to come, we want the UK church to look back on 2021 and say "we did not sit at home while unjust decisions were made on our doorstep, we set sail towards a just future".

A relay of walks from 13-24th August, will link up to the main relay at Birmingham. (See map)

Routes of about 10 miles per day have been planned by Gloucester and Worcester Dioceses, for families, young and older adults of all denominations and none, on national foot-path networks.

Everyone is welcome to join in these local walks.
