PCC RESOLUTION

We the Parochial Church Council of the Parish of:	
agree to join the Parish Giving Scheme and agree to receive donations from the Scheme in favour of this parish.	
Date resolution passed:	

GIVING PROGRAMME

It is strongly recommended that you run a giving programme to take advantage of the opportunity to discuss giving and introduce the PGS as a preferred method of donation. The PGS is a good mechanical tool to help your church process incoming donations and administer Gift Aid, but it is not a motivational tool to elicit more giving.

A giving programme helps to share the vision for the church in your area and is key to engaging and exciting donors to be generous. Your diocesan representative can help you to plan how best to do this and make the most of the opportunity that joining PGS provides.

We would like help with a Giving Programme, and would like to run this in _____ 20__
