Diving Deeper in RE

**Come join us for a morning
examining and exploring the RE
curriculum.**

Aims:

- To explore deeply the purpose and intent of RE in your school.
- To explore the sequencing and order of the Emmanuel Project 2020.
- To be prepared for a 'deep dive' line of enquiry.
- To understand how RE can support the Ofsted Personal Development category.
- To plan necessary actions that will enable you to self-evaluate with accuracy and approach inspection with confidence.

**Suitable for RE
subject leaders in
preparation for Ofsted
and SIAMS
inspections**

**PLEASE NOTE:
RE will not be
inspected by
Ofsted in VA
primarys or
former VA Academies. However,
this training will include how RE
contributes to Ofsted's personal
development grading.**
