

Kagera Days

.. an exciting and challenging day!

THE CHURCH OF ENGLAND
Diocese of St Edmundsbury and Ipswich

In an exciting and challenging day, primary school pupils explore aspects of our partner diocese in north-western Tanzania.

Led by our experienced teaching team, you can ...

- Follow Edmund, the Cathedral bear, as he travels from his Bury St Edmunds home to Kagera.

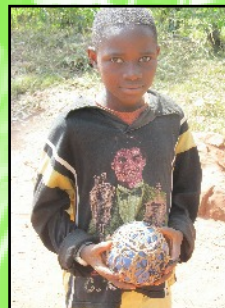

- Taste some African fruits and maybe even a Tanzanian meal.

- Discover the history of kangas and experiment wearing them, maybe even carry something on your head.

- Investigate similarities and differences between our lives and those in Kagera.

- Find out how and what children learn at Ngara Anglican Primary school (NAPS) in Kagera. Learn to count in Swahili.

- Consider animal conservation and participate in an art project based on animals in the Tanzanian National Parks.

- Learn how local Christians worship God with singing, dancing, offerings and processions.

- Celebrate with an end of day assembly using Swahili greetings and songs.

Interested in a Kagera Link Day for your school?

For details of costs, workshops, dates etc, please contact the project manager Stephen Dart (sdart5@aol.com) or the Diocesan Schools' Adviser, Gemma Kingston, on 01473 298570.
