February 2020

## News from the Diocese

Dear all,

This newsletter comes with news of various events and resources designed to support you. Please do take advantage of these. I commend the Small Schools Forum which meets on Monday 9 March to small schools and large. We are keen to help schools prepare for Ofsted inspections and Roisin Wiseman will give her insights into her recent experience at Wilby CEVCP.

I was sorry to receive Karen Harman's resignation as Deputy DDE recently. It has always been Karen's intention to retire this summer, but we will miss her. We are currently advertising- <https://www.cofesuffolk.org/vacancies> so do please have a look and pass on to anyone you think may be interested. Karen has initiated a number of events, including Leading a church school and a Christingle service. Our thanks to Karen, five participating schools and to the cathedral for the service held on 28 January, complete with a giant Christingle (please see below).

A group of us attended the fourth national conference organised by the Church of England's Foundation for Education Leadership last week. Some 800 people attended, including a good number of young people who led worship and attended their own student leader workshops. At the conference the latest leadership resource was launched- "Called, Connected, Committed" available for download here- <https://www.cefel.org.uk/ccc/> The Archbishop of Canterbury spoke and one of the keynote speakers on Visionary Curriculum Leadership was Mary Myatt, who is well known in Suffolk. It was good to be inspired along with church school heads and diocesan education teams from across the country.

In our own diocese, we are working on a range of policies which we hope will support church schools on RE, Collective Worship and Relationships and Sex Education. More details will follow in our next newsletter. Please look out for separate information about SIAMS from Phil Knowles, as we prepare to offer a healthcheck for schools midway between SIAMS inspections. You may also like to look out for Gemma Kingston's RE newsletter, with details of the updated Emmanuel Project 2020, out soon.

### **Wellbeing events at Assington Hall, Sudbury**

#### **For Administrators**

Friday 15 May, 11.00am - 4.00pm

Following the successful resilience session that we offered for school administrators in February 2019, we will be providing a similar opportunity in 2020. We are very aware that office staff are often the face of the school and multi-task in many ways for the benefit of the children. After a light lunch there will be discussion and reflection on being Resilient and then there will be time to reflect, network with colleagues, read or pray and enjoy the surroundings.

#### **For Heads and Senior Staff**

Friday 3 July, 9.30am - 3.30pm

Our annual wellbeing event for Heads and now senior staff will involve guest speakers leading reflections followed by time to reflect, network, pray or read and enjoy the surroundings.

To find out more about these events, please contact [Jacqui Studd](#).

### **Dates for your diary:**

#### **Wednesday 22 April**

We are delighted that Bishop Mike, our new Chair of the Diocesan Board of Education is leading a twilight session for heads and governors at the St Nicholas Centre, Ipswich. This will be a great opportunity to discuss how to lead a church school that is deeply Christian, serving the common good, in the words of the Church of England's vision for education.

#### **Monday 9 March**

As mentioned above, the next Small Schools Forum takes place at Coddendam Centre, 4pm to 5.30pm. There is no cost. If you would like to attend, please contact [Jacqui Studd](#), tel 01473 298570.

The second session on Strategy and Leadership is being re-run on **Tuesday 3 March 4pm**. The final session on Embedding Christianity takes place on **7 May 2020 4pm**.
