News from the Diocese

As we approach half term, this newsletter brings you news and information from across the diocese. After the success of the Big Sing at the cathedral in Holy Week, we are very much looking forward to welcoming children, staff, governors and parents to our annual cathedral service on Monday 17 June at 1.30pm. The theme this year is hope.

I am delighted to let you know that following re-advertisement for our Diocesan Schools' Adviser, we have successfully appointed Rachel Cutts. Rachel is currently RE and Collective Worship lead at Creeting St Mary CEVAP School and will take up post in September. We look forward to welcoming Rachel to the team.

We are here to support you to develop the Christian vision and ethos of your school. Please do take advantage of Phil Knowles' SIAMS support visits and SIAMS training. A number of training courses are taking place this term. Please read on for more details and see our [website](#) for our full training programme. Highlights include Victoria Bush's [RE annual subject leader update](#) on 26 June and [spiritual development in primary schools](#) on 2 July. Victoria is RE subject lead at Barrow CEVCP and is kindly providing support to schools on RE and Collective Worship this term and developing ideas on spirituality. Victoria can be contacted direct at v.bush@barrowcevcprimaryschool.co.uk.

We encourage Headteachers and senior leaders to attend our annual wellbeing morning on Friday 5 July in Bury St Edmunds (more information below).

Elveden Schools Trust has been approved as the academy sponsor for St Edmundsbury CEVAP School in Bury St Edmunds. If any schools in the area are considering academy status, and would like an informal discussion, please do contact Lorna Rourke, Executive Principal at Elveden Academy at headteacher@elvedenacademy.co.uk

Pupils from **Barnham CEVCP School** who took part in the Big Sing event on Tuesday 26 March and showcased the courageous advocacy taking place at the school.

The Learning Hub at St Edmundsbury Cathedral is responsible for organising structured school visits and family activities during the school holidays and is looking to build its volunteer team. If you are available during term time or the holidays and would like to continue to inspire young people, please contact learninghub@stedcathedral.org for more information.

May the Spirit,
who set the Church on fire upon the day of Pentecost,
bring the world alive with the love of the risen Christ.

With all good wishes from all of us,

Follow the Torch

As the 2024 Paris Olympics grow closer, the Diocesan MAT is raising awareness about the Olympic Games and its values by having a Torch travelling round all 21 of the MAT schools. The MAT have been lucky enough to borrow a real Olympic torch from a competitor in the 2012 Paralympics. The latest stage of the journey saw four students from **Chelmondiston CofE Primary** together with their Headteacher climb into a rib boat and make their way across the River Orwell to collect the torch and olympic flag from year 6 pupils at **Nacton CofE Primary**, who waited on the beach for the handover. For more on this story, and to see previous stages of the Torch's journey and follow progress, please click [here](#).

Congratulations!

Congratulations to the senior choir at **St Gregory CEVCP, Sudbury** who were invited to sing at St Paul's Cathedral again. The choir sang two songs during the lunchtime Eucharist on 16 May.

Daniel Woodrow, Headteacher writes: "It's obviously a huge honour to be asked to sing at the cathedral again."

The invitation came around as Tom Cogan, our inspirational, irreplaceable choirmaster, is retiring at the end of this school year and St Paul's agreed to help us give him the best possible send-off that we can." Congratulations to the Courageous Advocates after-school club from **Barrow CEVCP** who spent an afternoon creating a butterfly-shaped pollinator-friendly garden in the churchyard of All Saints Church. Victoria Bush writes: "This was the end result of months of research, planning, fundraising and working with parents, other pupils, local parish councillors and the church leaders to make a real difference to the issue of climate change and habitat destruction. This also supported the Eco Church plan for churchyards to become nature havens."

Congratulations to pupils at **St Matthew's CofE Primary School** who have turned thousands of discarded bottle caps into artwork and ditched plastic cutlery at lunchtime to save the environment. Heads' and senior staff wellbeing day

Friday 5 July 2024

9.30am - 1.30pm

Thomas Clarkson Centre,
Bury St Edmunds

This year's theme is O still small voice of calm: What can we learn from Elijah about finding moments of rest amidst the 'earthquake, wind and fire'. In this session, the Revd Laura Mumford will reflect on what rest might mean for you and how you might be able to prioritise it at different times

Congratulations to **Stutton CofE Primary** which has been taking part in a project with the British Council and have been paired with a school in Egypt. Crystelle Edwards, Headteacher writes:

"Each school does a project on the Global Development Goals and shares work. We completed work to share with our partner school and it was all about showing care and compassion." For more, please click [here](#).

Stutton CofE Primary School also had a visit from Bishop Mike, who talked to pupils about his job and some of the things a Bishop does and what a Bishop has to wear. Bishop Mike also blessed the school.

Congratulations to the Friends of **Whatfield CEVCP School (F.O.W.S.)** who have created a beautiful outdoor area for spiritual reflection. The School writes: "A school's strength is greatly enhanced by the unwavering support of its parents, and at Whatfield, this support is abundant!"

Thanks to the tireless efforts of our incredible F.O.W.S. over the Easter holidays, what was once an unusable, overgrown and neglected pond area has been transformed into a

vibrant space where children can engage in spiritual reflection, collaborative learning with their peers, and enjoy pond-dipping adventures at any time. Recognising the crucial role of outdoor learning spaces in children's education, the F.O.W.S. organised numerous fundraising events and dedicated their free time to renovating this area, driven by their love for their own children and the future students of Whatfield CEVCP School. Our heartfelt gratitude to Mr & Mrs Baker, Mr & Mrs Death and Mrs & Mrs Morley." For more photos, please click [here](#).

Congratulations to pupils at schools within the Thedwastre Education Trust who joined together to perform at a concert at Thurston Community College last month. A special music day was held for pupils from **Great Barton, Rattlesden, Thurston CofE Primary Academies** and Woolpit Primary School which included

of the year. We are grateful to Jonathan Gray, Headteacher at Acton CEVCP School who will also present. Further information to follow after half-term.

All children were invited to take part in the competition and three of our KS2 children have seen the project through from start to finish. They started by planning how they wanted the garden to look and what plants they would like to grow / buy for their design depending on what was available in the garden centres at this time of year. They researched the plants and looked at what would be good for the bees and butterflies and then wrote some information sheets about the plants." For more, please click [here](#).

Archbishops' Young Leaders (AYLA) Award webinars are a great way to find out how the AYLA works. Just 45 minutes, the twilight sessions help you think about how you might develop courageous advocacy in your school and equip the next generation of young leaders. The session will unpack how the Award helps learners grow and develop in key leadership skills and character virtues and the kinds of social and environmental action projects which schools get involved in within their communities. For dates of sessions running this term, and to register, please click [here](#).

For the Attention of Headteachers

If you are retiring or resigning as Headteacher, please do let us know. Jane, Sue or Phil will attend meetings with your Governors to advise on the headship appointment, alongside the Local Authority. We can be in contact with your Chair of Governors and make sure that we are available for dates for shortlisting and interviews. Many thanks.

Kagera - link Diocese
The Diocese of St Edmundsbury and Ipswich has a partnership with Kagera Diocese in Tanzania and the Education Team encourages schools to find out about life in Kagera.

We are exploring ways of building and developing further meaningful links, focusing on mutual benefits and reciprocity for children and teachers here and in Kagera. Here are two opportunities to gain first hand experience of life there:

The Revd Gail Minter, Carlford Benefice, visited Kagera with Bishop Mike earlier this year and is now planning a return trip with her daughter. They will visit from 23 October to 1 November 2024 and will be there over half-term but will also miss a few days of term time. Gail is happy for her details to be passed on to anyone who might be interested - she says "I would love to have others join us. Of course, they could take a separate flight and have a shorter visit." If you are interested, please contact Gail directly: gail@carlfordchurches.org

Chris and Anji Dawkins are our Link Diocese Co-ordinators and they have had a request for help with English teaching at KCTC, the Bible College in Kagera, starting in September. They say "We wonder if it's worth advertising to schools in case anyone knows of a retired teacher waiting for an adventure!" Chris and Anji have taught there several times for 6-8 weeks at a time, since 2013 and say "What a joy and privilege it has been to teach adults there". If anyone knows of someone (retired or otherwise) who would be interested, Chris and Anji would be very happy to talk to them about it, or offer advice on potential future visits: kagera@cofesuffolk.org
