How To Book onto Safeguarding Training

All face-to-face Safeguarding training is now available to book online via Eventbrite. You can book a place for yourself, or for someone else.

Booking a place for yourself or someone else:

   Once you have confirmed this is the correct course by reading the details displayed on screen, click the "Reserve a spot" button that appears in red.
3. Choose your ticket
You now have a choice of tickets. If the training you have chosen is in your own deanery, you have priority booking. If you would like to attend training within our diocese, but outside of your own deanery, you are most welcome but please wait until the date shown on this page to book your ticket.

A. Tickets for people in the host deanery. Choose these if you are a member of this deanery

B. Tickets for people from outside the host deanery. If these are not available yet, look at the date when they go ‘on sale’ and return to the site then.

C. Use the + and – buttons to select how many tickets you want.

D. Once you have selected your tickets, click the ‘Register’ button.

4. Enter your details to book your ticket

A. Fill in your own contact details.

B. Please ignore this statement. This is a standard note added by Eventbrite. You do not have to pay for a place or collect a ticket.

You have now booked a place on the course. The screen will show you a confirmation message:

A. Fill in the contact details for the person attending the course. This maybe you, or it may be someone else that you are booking a ticket for.

If the person you are booking for does not have an email address, please put in your own.

B. Use the scroll bar to move the form down to see the rest of the questions.

C. Continue to use the scroll bar to move the form down and answer the remaining questions. Remember, you are filling in the details of the person who is attending the course.

D. Once the form is complete, click the “Register” button.

6. Confirmation Email

You will also receive an email confirming the details. As with the confirmation screens on Eventbrite, this contains information from us as well as standard notes from Eventbrite. Please make a note of the time, date and location of your training, but as before, there is no physical ticket or payment needed for this course.

In the 'Additional Information' section of the email there is contact information that you may find useful if you need to cancel your place or have any specific questions.
