

ST / PK 9 March	Leading a Church School – A Training Event for Church School Governors: Session 2
Date / time	Wednesday 9 March, 4.00 - 5.30pm
Venue	Zoom
Leader	<ul style="list-style-type: none"> • Sue Todd, Deputy Diocesan Director of Education • Phil Knowles, School Effectiveness Officer
Cost	£25 per session (subscribing church schools), £50 per session (non-subscribing schools)

Leading a church school consists of 3 sessions over the school year. The sessions are cumulative and designed to build an understanding of what various aspects of Governance look like in the particular context of a church school, but could be used as standalones, depending on experience. The 3 sessions are:

1. Leading a church school – understanding the day by day
2. Strategy and Leadership – implementing change
3. Embedding the Christian Vision – living the vision

Each session is designed to encourage and support governors by giving them an opportunity to explore what governance looks like day to day, in a church school context.

Session 2: Strategy and Leadership – implementing change

In this second session we will explore effective strategies to enable governors and Headteachers to work together to:

- ❖ Identify what needs to change
- ❖ Implement and sustain change
- ❖ Overcome possible barriers

There will be one further session later in the year:

- ❖ Embedding the Christian Vision – living the vision

Session 3: Embedding the Christian Vision - living the vision
Tuesday 21 June 2022, 4.00 – 5.30pm, via Zoom

In this third session we will explore:

- ❖ Governance in a distinctively Christian church school
- ❖ Vision informed decision making
- ❖ How “difficult situations” can be managed
- ❖ SIAMS
