

What do *you* find  
through church!

# Belonging

*Connection with a diverse community  
gives strength in uncertain times.*

Martha South, Student

Bridge Church, Ipswich

2020 was due to be a big year for Martha and her family. When lockdown hit, their household - like so many others - was turned upside down.

Martha missed real-life school, important exams and the first steps on her new career. She missed her church too; an app of Bible quotes and virtual services helped, but she's looking forward to getting back to her church community and really belonging again.
