

## **St Mary's C of E Academy Journey through Easter Day - 7<sup>th</sup> April 2022**

Just before the Easter holidays the whole school joined together for a 'Journey through Easter' Day to explore and think about the Easter Story. It was the first opportunity since COVID that the children have been able to explore other areas of school, other than their bubble area; for some it was their first time seeing the whole school! In each year group the children got to experience a different station that represented a different part of the Easter Story. Each station gave the children the opportunity to revisit that part of the story, time to reflect and complete an activity. The children absolutely loved it and it provided them with a fantastic interactive experience to deepen their understanding of this important Christian festival. We then finished the day with a whole school Collective Worship with a special Easter Thanksgiving Service with Rt Revd Tim Stevens. It was so special to all come together to celebrate!

The stations:

1. Palm Sunday

2. Anointing at Bethany

3. 'Servant King' – washing the disciples' feet

4. 'Remember Me'- The Last Supper
