A message from Bishop Martin and Bishop Mike

Bishop Martin and Bishop Mike have written to all clergy, churchwardens and ministers following the announcement of plans for same-sex couples to be able to come to church to give thanks for their civil marriage or civil partnership and receive God's blessing. Details of the announcement can be found here.

Responding to the announcement Bishop Martin said, "The first thing that Mike and I wish to say is that we are grateful that the bishops of the Church of England have agreed to make a public apology for the way members of the LGBTQI+ community have been treated by the church. The bishops stressed the importance of all our congregations offering an unreserved and joyful welcome to same-sex couples. We, as your bishops, want to underline this message. Secondly, we welcome the prayers and other resources, Prayers of Love and Faith, that are proposed to be commended by the House of Bishops for services for same-sex couples in church. These include prayers of thanksgiving, dedication and blessing."

The proposals, which follow a six-year period of listening, learning and discernment known as Living in Love and Faith, will be outlined in a report to the Church’s General Synod, which meets in London next month.

Bishop Martin and Bishop Mike added, "While we welcome these developments, which are important, you will not be surprised to hear that we are both disappointed that they do not go further. Through this process we have both reached the view that the faithful, pastoral, loving and just way forward is to extend Holy Matrimony to same-sex couples. We recognise that many of you agree with us, while many of you would not be able to support such a change and many remain uncertain. This reflects the situation amongst the bishops where there is deep disagreement held in tension with a commitment to moving forward together."

The first step is for General Synod to consider these proposals in February. The bishops will listen to and reflect on the response from the General Synod and will then refine the prayers before they are commended for use. Full details including the bishops’ paper, prayers and background information will be published on Friday 20 January.
Growing Younger Sunday - 29 January 2023

Growing Younger Sunday aims to embed growing younger (0-25 year olds) in the diocese by viewing everything through the lens of children and young people and providing ideas, information and support to areas or groups that seek it, to support their long-term success and development of discipleship.

The Growing Younger team is led by Matt Levett, Youth and Young Adults Officer, and Hilary Wordsworth-Sewell, Diocesan Children's and Families' Enabler, both of whom provide events and opportunities for young people and children to connect with church.

**Growing Younger Sunday resources are now on our website [here](https://mailchi.mp/cofesuffolk/weekly-enews-19-january-2023?e=7ff93fde5b).**

Box River Benefice is Growing Younger

The Revd Rob Parker McGee from the Box River Benefice has been running an after-school choir club at the local Boxford CoE Primary School since 2021. The choir has sung for key festivals including Easter and Christmas. By Christmas 2022 the choir had grown to 30 pupils strong from years 2 – 6, who met for five weeks of practice and sang *Away in a Manger* and *Taizé Magnificat* at the school festivities. 22 of the children then sang at Boxford's Advent Carols and Christingle service in church to close the annual Christmas Tree Festival and Fayre, with 160 people in attendance.

Rob plans to continue the choir in 2023, Rob says: "I visit the school once a week to take school assemblies and I am vice-chair on the governing body. Over the last four years we have worked tremendously hard to re-develop the relationship between the church and the school so that the school feels that the church is home”. Growing Younger and creating links between the school and church has been part of the benefice action plan, as is developing relationships with other community groups around the benefice. All Saints, Mendham has earned the Silver Eco-church status!

All Saints, Mendham has gained Silver Eco-church status, one of only 20 parishes within the diocese. In order to gain this award lots of improvements were made, including but not limited to: installing a cycle rack, creating careful and sustainable plans for rare grasses in churchyard, calculating the church carbon footprint and securing 100% green electricity. The church is already working towards the coveted Gold status, so watch this space!
The A Rocha Eco-church scheme is designed to motivate and resource churches in establishing caring for God’s earth as an integral part of their everyday work and witness. It aims to create a vast network of churches as local centres of creation care in the community – shining beacons of hope for a brighter environmental future. If you would like to know what you would need to do to gain Eco-Church status please visit our website here.

Ronald Blythe

We are saddened to hear about the death of Ronald Blythe last Saturday. Ronald was a Lay Canon Emeritus at St Edmundsbury Cathedral and a celebrated Suffolk author. Ronald was regarded as one of the finest contemporary writers on the English countryside and in 2022 released a book, Next to Nature: A Lifetime in the English Countryside, to celebrate his 100th birthday. Dean Joe reflected on the fact that Akenfield, as one of his set texts at school, gave access to a range of voices from a rural landscape already moving into the past. The authenticity of Mr Blyth’s voice, as well as his attentive listening as a writer, ensured that the enduring beauty of Suffolk and the tenacity of its people are immortalised forever through his prose.

Bishop Martin shares some words on his passing: "Ronald Blythe, who died on Saturday aged 100, touched the hearts and imagination of people here in Suffolk and around the world through his extraordinary evocative writing. We are all saddened by his death, and thankful for all he has given us. I think my first encounter with Suffolk was reading Akenfield as a student, and that surely kindled for me my love of this county. Ronald continued to write and many of us looked forward each week to read his weekly column in the Church Times, Word from Wormingford, to savour life and the passing of the seasons. Ronald was a faithful Reader and had served as a Lay Canon of the Cathedral. He will be greatly missed, but his writing will continue to inspire and delight us.”

Details of a memorial service will be announced by St Edmundsbury Cathedral.

2023 Bishops' Lent Appeal for Kagera
Starting 22 February 2023

During Lent 2023 we are asking you and your churches to join our Bishops’ Lent Appeal for Kagera. We realise that in many churches throughout our diocese wonderful work is being done to support local communities in the very difficult cost of living crisis. Through food banks, warm spaces and many more creative ways you are truly loving your neighbours. And our global neighbours need our support too. In Kagera the cost of staples like maize, beans and cooking oil has doubled in the past year. And of course these price rises come on top of the impact of the climate crisis.

Churches across Kagera work hard to empower communities to seek their own solutions to problems. In Lent 2023 the theme of our Appeal is ‘Empowering and equipping farmers, doctors, priests and evangelists on the road to self-sufficiency’.

If you want to know more or to hear about how the money from the last appeal was used, invite a speaker to your church or group. Contact Chris and Anji Dawkins at kagera@cofesuffolk.org. To access all of our resources and to donate please click here.
Saturday 25 February, 10.30am (start coffee/tea for talk at 11.00am.  
Museum Street Methodist Church, Ipswich IP1 2EF (Entrance in Elm Street).

Join this workshop for an illustrated exploration of Our Lady in the visual arts by Fleur Dorrell. This is a free event but there is an opportunity to donate.

It can be used in in-person small groups, individual study or online. The films will include interviews with church members, experts and community leaders who have done significant anti-slavery work. They will highlight the journeys that they have been on to deliver their work. Sign up [here](https://www.clewer.org).

Notices

Message from Gary Peverley, Deputy Diocesan Secretary and Finance Director, on Parish Share end of year payments:

Thank you to all of our parishes for your giving towards parish share. We would like to remind you that we continue to accept payments towards the 2022 parish share up to and including Tuesday 31 January 2023. Payments received after that date, unless we know about them in advance, will be treated as 2023 parish share. This is to enable us to move quickly to close our own accounts and prepare for our statutory audit. We understand that, for some parishes, it can take time to work through...
final parish share payments for the year just ending, but would appreciate it if we could all work to the timetable above and understand the cut-off dates.

Our preference is to receive funds via online banking (but please ensure you make clear which year the payment is for in the text field).

Any cheques must be received at the office by 31 January 2023 to be included in your 2022 Parish Share figures. Cheques received after this date will only be accounted for in your 2022 figures if you have told us by 31 January to expect the cheque so that we can accrue for it, allowing us to finalise our own accounts.

Statistics for Mission: Thank you to all parishes who have already submitted their Statistics for Mission forms. The national church deadline is 31 January 2023. Returns are to be submitted on the Online Parish Returns System, if you require login details or any other assistance regarding the online portal please contact Alison Barker by email. Further information is available on our website here.

Do you want to play an important role in clergy appointments? The Diocesan Board of Patronage plays an important role in appointing clergy. Where there is no patron for the benefice, the board will act as the patron and can support the vital process of selecting a new incumbent. We need four lay members and one ordained member of the Board for it to be fully constituted. These are elected positions open to anyone on a parish electoral roll, and elections will take place later this year. If you are interested and would like to discuss this opportunity please email either Gavin Bultitude, Diocesan Secretary or Charlotte Hodgson, Governance Manager.
