

## Going on Safari

Today we are going to visit the Kruger National Park in Africa (virtually). You are going to create an information page all about the park.

### **Task 1** – facts about Kruger National Park

Where in the world is Kruger National Park?

How big is it?

When did it open? Who opened it?

What is the weather like there?

What is the landscape like? What plants would I find?

What animals would I find there?

The above link will take you to a 3 hour sunrise safari – YOU DO NOT NEED TO WATCH IT ALL! Just flick through stopping to watch the animals.

Note down:

What animals you see/what they are doing/what they look like

What the landscape is like

What sounds/noises you can hear

### **Task 3** – time to work

Create an information page about The Kruger National Page

Or

Choose your favourite animal(s) and create some fact files
