## Abbas and Templecombe Church School

## Attendance policy

**Approved by:**

Bath & Wells Multi Academy Trust  
Board

**Date:** September 2024

**Next review due by:** September 2025

## **Aim of this policy**

To support excellent levels of attendance for all children to enable fulfilment of their potential at Abbas and Templecombe Church School ("the School). Regular attendance at school is essential to each child's academic success and life-chances. Research links attendance with achievement, indicating that even occasional broken weeks can have a negative effect. We believe that the most important factor in promoting good attendance is the development of positive attitudes towards school. In promoting good attendance, it is also hoped that this will lead to the development of habits of good attendance and punctuality for the future. We expect all children on roll to attend every day, when the school is in session, as long as they are fit and healthy enough to do so. We will also make the best provision we can for those children who, for whatever reason, are prevented from coming to school.

It is vital that children develop regular attendance habits at an early age, therefore the school will expect parents/carers of Reception children who are not yet of compulsory school age, to send their children to every session available to them. If the child is unable to attend for any reason, the parents should inform the school in the same way as with children of compulsory school age.

## **Key principles**

Our attendance policy and strategy

has been developed with the following principles at its heart:

- Every day counts... All day, every day, on time.
- Attendance is everyone's responsibility.
- We focus on understanding the barriers, taking preventative, supportive action and swift intervention
- We build strong relationships with parents/carers and children

## **Roles and responsibilities**

Subject to the terms of this policy, any day-to-day attendance issues that parents or children have should be discussed with the class teacher. Where more detailed support around attendance is required, parents and children should contact the Head of School.

## **The School will:**

- develop and maintain a whole school culture that promotes the benefit of high attendance
- work with children and their families, building strong relationships, to support high levels of attendance and punctuality and understand any barriers to attendance
- investigate unexplained or unjustified absence, applying support and, where necessary, sanctions where appropriate
- be aware that sudden or gradual changes in attendance may indicate safeguarding issues, and we work in line with our Child Protection and Safeguarding Policy available at: [Bath and Wells Multi School Trust - Policies \(bwmat.org\)](http://Bath and Wells Multi School Trust - Policies (bwmat.org))

- take into account individual needs when implementing this policy, including having regard to the School's obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child
- share information and work collaboratively with the local authority, other schools in the area and other partners including, where required, making appropriate referrals in accordance with local procedures, legislation and guidance
- regularly monitor, review and analyse attendance and absence data including to identify pupils or cohorts that require attendance support and to set targets for the future
- ensure that all children can access full-time education, putting strategies in place where there is evidence to suggest that this is not the case
- ensure that the Local Governing Committee and the School's leadership team work together to monitor attendance levels and the effectiveness of this policy
- ensure that all legislation and guidance are complied with and reflected in our policies and procedures, including the non-statutory attendance guidance issued by the Department for Education, *Working together to improve school attendance (2022)*
- have in place appropriate safeguarding responses for children who are at risk of missing education, having regard to the statutory guidance Keeping Children Safe in Education and our Child Protection and Safeguarding Policy available at [Bath and Wells Multi School Trust - Policies \(bwmat.org\)](https://www.bwmat.org/Policies).
- provide information requested by the Secretary of State, including termly absence data collected by the Department for Education
- regularly inform parents about their child's attendance and absence levels
- support children who are returning to education following long term absence
- ensure that effective systems to record and report attendance data are in place, including accurate completion of admission and attendance registers using an electronic management information system
- assign overall responsibility for championing and improving attendance at the School to a designated senior leader
- observe and fulfil the responsibilities set out in guidance issued by the Department for Education ([Summary table of responsibilities for school attendance \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk)) to the extent not covered above or elsewhere in this policy.

## Parents and carers

We expect parents and carers to:

- ensure that their child daily arrives at to school on time, in the correct uniform and with the necessary equipment
- promote the importance of regular attendance at home, where in law regular means "in accordance with the rules prescribed by the school", so therefore, if an absence is not authorised by the school, the pupil's attendance is deemed to be irregular
- follow the correct procedure for reporting the absence of their child from the School (see section 6.1 below)

- avoid unnecessary absences
- provide an explanation as to why their child is absent from school as early in the day as possible, so the school knows the child is safe
- keep the school informed of any circumstances which may affect their child's attendance
- avoid taking their child out of education for holidays during term time (see section 6 below)
- inform the school in advance of any proposed change of address for their child(ren), along with the name of the parent with whom the child shall live
- observe and fulfil their responsibilities set out in the guidance issued by the Department for Education: [Summary table of responsibilities for school attendance \(publishing.service.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/672222/summary-table-of-responsibilities-for-school-attendance.pdf).

## **Registration**

Each school maintains an attendance register and uses this to record each child's attendance at the start of the school day and again in the afternoon.

<b>Registration session</b>	<b>Start time</b>	<b>End time</b>
Morning	9am	9.15am
Afternoon	1pm	1.15pm

Registers will close 15 minutes after the morning session starts. Children who arrive after the start of a registration session, but before the end of a registration session will be marked as late. Where children arrive after the end of a registration session, the process set out at section 5 applies.

The register is marked using the national attendance and absence codes which can be found in the Department for Education's guidance on attendance - [Working together to improve school attendance \(publishing.service.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/612227/Working_together_to_improve_school_attendance.pdf).

## Late arrival

If a child arrives at school after the relevant registration period has ended, the parent must immediately go to the school office to sign in and provide a reason for the lateness. In the absence of a satisfactory explanation, the register will be marked as unauthorised absence.

## Reasons for absence and how to report or request authorisation

**Authorised absence** - absence will only be authorised where the school has given approval in advance for a child to not be in attendance or has accepted an explanation offered afterwards as justification for the absence. Only the school can authorise absence. The main circumstances for authorising an absence include: illness, medical/dental appointments and religious observance.

**Unauthorised absence** - absence will be marked as unauthorised where the school is not satisfied with the reasons given for the absence.

### Reporting absence from the School

- 6.3.1 Where a child is to be absent from school without prior permission, the parent/carer should inform the school by phone (01963 370481) or email ([enquiries@at.bwmat.org](mailto:enquiries@at.bwmat.org)) as early as possible on the morning of the day of the first absence to ensure the school know the location and safety of the child. The parent should let the school know when they expect the child to return to school. If the return date is not confirmed on the first day of absence, parents/carers must contact the school on each day of absence.
- 6.3.2 In cases of prolonged absence due to illness, parents/carers may be asked to provide the school with medical evidence, such as a note from the child's doctor. If this evidence is not provided, the absence may be marked as unauthorised.

### Appointments

- 6.4.1 Medical, dental and other essential appointments for a child should take place outside of school hours where this is reasonably possible.
- 6.4.2 Where an appointment must take place during school time, the child should attend the School for as much of the day as possible and as much prior notice as possible should be given in writing to the school office.
- 6.4.3 For the time absent from the school to be marked as authorised, confirmation of the appointment by way of an appointment card or letter must be provided.

### Children with Health Needs

- 6.5.1 Where illness is a clear reason for a pattern of absence, with supporting information, the school will consider an Individual Health Care Plan. Parents and staff should refer to the Medical Conditions Policy for more information about medical needs, IHPs, and to children with health needs who cannot attend school available at: [Bath and Wells Multi School Trust - Policies \(bwmat.org\)](#)
- 6.5.2 Where a pupil cannot attend school because of health needs, unless it is evident at the outset that the pupil will be absent for 15 or more days, the school will initially follow the usual process around attendance and mark the pupil as ill for the purposes of the register.
- 6.5.3 If requested the school can provide support to pupils who are absent from school because of illness for a period shorter than 15 days, but only if this will not hinder a child's recovery and swift return to school. This may include providing pupils with relevant information, curriculum materials and resources.

- 6.5.4 In accordance with the Department for Education's statutory guidance<sup>1</sup>, where a pupil is unable to attend school for more than 15 days due to illness:

the local authority should be ready to take responsibility for arranging suitable full-time education for that pupil; and

the local authority should arrange for this provision to be in place as soon as it is clear that the absence will last for more than 15 days.

The school will inform and work collaboratively with the local authority to support these responsibilities

- 6.5.5 Where a parent/ carer maintains that absences are regularly the result of ill-health, yet no evidence of this is provided, the school may choose to not automatically authorise such absences unless there is medical evidence to do so.

### **Leave of absence (including holidays during term time)**

- 6.6.1 Parents and carers should make every effort to avoid taking children out of education for holidays or other extended leave during term time. The Trust will only authorise a leave of absence during term time where there are exceptional circumstances. The law does not grant parents the automatic right to take their child out of school during term time.

- 6.6.2 To request a leave of absence, parents/carers must make the request in advance and in writing addressed to the Head of School and, wherever possible, at least 4 school weeks ahead of the planned leave.

- 6.6.3 Where a leave of absence is requested as above, the Head of School will consider the specific facts and circumstances relating to the request. The decision:

- will be confirmed in writing
- is solely at the Head of School's discretion and
- is final.

- 6.6.4 Where permission is granted, the Head of School will confirm the number of days and dates of absence which are authorised.

- 6.6.5 If permission is not granted and the parents/carers proceed to take their child out of school, the absence will be marked as unauthorised. Although such absence may be unauthorised, it is better that the school knows you are intending to remove your child from school, and the child is safe, rather than missing.

- 6.6.6 Parents may be issued with a penalty notice or be subject to prosecution by the local authority (see section 7 below for unauthorised absence) for unauthorised leaves of absence.

### **Religious observance**

- 6.7.1 We recognise that children of certain faiths may need to participate in days of religious observance. Where a day of religious observance falls during school time and has been exclusively set apart for religious observance by the religious body to which the child belongs, the absence from school will be authorised.

---

<sup>1</sup> *Ensuring a good education for pupils who cannot attend school because of health needs (January 2013)*

- 6.7.2 We ask that parents/carers notify the school by writing to the Executive Head Teacher in advance where absence is required due to religious observance.

### **Children Missing from Education**

If no contact has been made with the school on the first day of absence the school will take steps to ascertain the location of the child and their safety. The school will refer to Child Missing from Education section of the Child Protection Policy and the Local Authority procedure.

### **Part-time timetables**

- 6.9.1 Pupils are entitled to a full-time education, suitable to their age, ability and aptitude, and any special educational needs or disabilities that they may have.
- 6.9.2 If, for any reason, our school is unable to provide a pupil with a full-time education due to the pupil's needs, we will work with the pupil, parent and other agencies where appropriate, to come to a mutually convenient arrangement. Any part-time timetables will be applied for the shortest amount of time possible, whilst arrangements are made to support the pupil to access a full-time timetable. Staff and parents should refer to the Reduced Timetables policy available at: [Bath and Wells Multi School Trust - Policies \(bwmatschooltrust.org.uk\)](http://bwmatschooltrust.org.uk/policies)

### **Approved Educational Activity (AEA) and Alternative Provision**

When pupils are attending educational activities off the school site that have been approved by the school, the register will be marked to show this is the case. (See DfE 2022 School Attendance guidance for more information.) Common examples include an approved sporting activity or an Alternative Education Provider.

### **Traveller absence**

- 6.11.1 The school will authorise the absence of a Traveller pupil of no fixed abode who is unable to attend school because they are travelling with their parent who is engaged in a trade or business of such a nature as to require him to travel from place to place. This is subject to certain limits, depending on the child's age and number of sessions absent. The school will discuss cases individually with Traveller parents as necessary. Parents should let the school know of their plans as far in advance as possible. Authorised Traveller absence will be recorded appropriately in the register.
- 6.11.2 To help ensure continuity of education for Traveller children, the child should attend school elsewhere when their family is travelling for occupational purposes, in which case the child will be dual registered at that school and this school, which is their 'main' school.
- 6.11.2 Children from Gypsy, Roma and Traveller communities whose families do not travel for occupational purposes are expected to register at school and attend as normal. They are subject to the same rules as other children in terms of the requirement to attend school regularly.

### **Unable to attend due to exceptional circumstances**

- 6.12.1 The school will record pupils as unable to attend due to exceptional circumstances in accordance with the DfE attendance guidance, if for instance:
- The school site, or part of it, is closed due to an unavoidable closure;
  - The transport provided by the school or the local authority is not available and the pupil's home is not within statutory walking distance. (See the DfE's ['Home to school travel and transport'](#) guidance document;

- A local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending school.

### **Mental Health and Wellbeing**

Parents who have concerns about their child's wellbeing can contact the school's Designated Safeguarding Lead (Mrs Brazier - Head of School).

### **Addressing poor attendance and punctuality**

The school will use data to target attendance improvement efforts to the children or groups of children who need it most. In doing so, the school will:

- monitor and analyse weekly attendance patterns, proactively using data to identify pupils at risk of poor attendance
- provide regular attendance reports to class teachers and relevant leaders
- identify children who need support from wider partners as soon as possible and deliver this support in a targeted manner
- conduct thorough analysis of half-termly, termly and full year data to identify patterns and trends
- benchmark school attendance data at each level against Trust, regional and national data
- monitor the impact of a schools strategies and actions to improve attendance on particular pupils and particular groups
- work with the local authority and other local partners to identify groups
- hold regular meetings with the parents or carers of children who the Trust and/or local authority consider to be vulnerable

Where absence or punctuality is a cause for concern, for example because there is:

- a pattern of unauthorised absence
- a question over the reasons provided for a particular absence or late arrival
- persistent absence, truancy or lateness
- a safeguarding concern

the school will make contact with the parents/carers with a view to working together to support improved attendance and/or punctuality, with reference to the Trust Child Protection and Safeguarding Policy, as appropriate.

Absence will be classed as persistent where it falls below 90% across the academic year. Absence at this level is very likely to hinder educational prospects and we expect full parental co-operation and support to urgently address these cases. Intervention steps may include implementation of an attendance action plan, referral to other agencies and support services and/or seeking to put in place a parenting contract.

Where out of school barriers to attendance are identified, the School will signpost and support access to any additional services.

Sometimes pupils can be reluctant to attend school. Our Trust encourages parents and pupils to be open and honest with the School about the reason for the pupil's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. The School needs to understand the reasons why a pupil is reluctant to attend in order to be able to support pupils and parents in the best way.

When the School has concerns about the attendance of a pupil, it will make every effort to make the parent/s aware of the concerns about their child's attendance and give them the opportunity to address this.

If parents have failed to ensure that their child of compulsory school age is regularly attending school and wider support in accordance with this policy is not appropriate, effective, or has not been made use of, the School may consider issuing a penalty notice and legal sanctions via a referral to the local authority. A penalty notice is a fine imposed on parents by the local authority.

If the School refers a case of poor school attendance to the Local Authority for legal sanctions, it will show it has warned parent/s that they are at risk of receiving a penalty notice or other legal sanction.

When considering whether to issue a penalty notice, the School will have regard to:

- section 6 of the Department for Education's guidance, Working together to improve school attendance: [Working together to improve school attendance \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk)
- the local authority's Code of Conduct for issuing penalty notices.

In the event that a penalty notice is issued but is not paid within 28 days, the local authority will decide whether to proceed to prosecution. The local authority also has separate powers to prosecute parents if their child of compulsory school age fails to attend school regularly.

## **Suspensions and Permanent Exclusions**

If the school decides to suspend or exclude a pupil, this will be recorded using the appropriate registration codes and the school will follow the Trust policy available at; [Bath and Wells Multi School Trust - Policies \(bwmat.org\)](https://www.bwmat.org)

## **Removal from Roll**

There are strict legal grounds on as to when schools may remove pupils from the admissions register, and when the School decides to delete a pupil from their admission roll it must immediately notify the local authority.

If the School is told that a pupil is leaving to attend another school, staff at the school of departure will establish the pupil's new address, the name and address of the new school and the date the pupil will start there. Once the School has confirmation that the child has started at the new school, its records will be updated.

If a child has 'disappeared' from school, the School must refer to the Child Missing Education Policy from the local authority and the Trust's Child Protection and Safeguarding Policy.

## **Links to other policies**

This policy should be read in conjunction with the following policies/guidance where necessary:

- Reduced Timetables
- Alternative Provision Guidance for Schools
- Children with Medical Needs Who Can't Attend School
- Child Protection and Safeguarding
- Exclusions
- Separated parents Guidance

## Appendix 1- Abbas and Templecombe Church School's approach to promoting good attendance and punctuality

We believe that one of the most important factors in promoting good attendance is the development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents/carers.

By promoting good attendance and punctuality we aim to:

- Make good attendance and punctuality a priority for all those involved in the school community
- Raise our pupils' awareness of the importance of good attendance and punctuality
- Provide support, advice and guidelines to parents, pupils and staff
- Work in partnership with parents/carers

Effects of non-attendance

The table below indicates how what might seem like just a few days absence can result in children missing a significant number of lessons.

Attendance during school year	Days lost in a year	Which is approximately	Approximate number of lessons missed
95%	9.5 days (19 sessions)	2 weeks	50 lessons
90%	19 days (38 sessions)	4 weeks	100 lessons

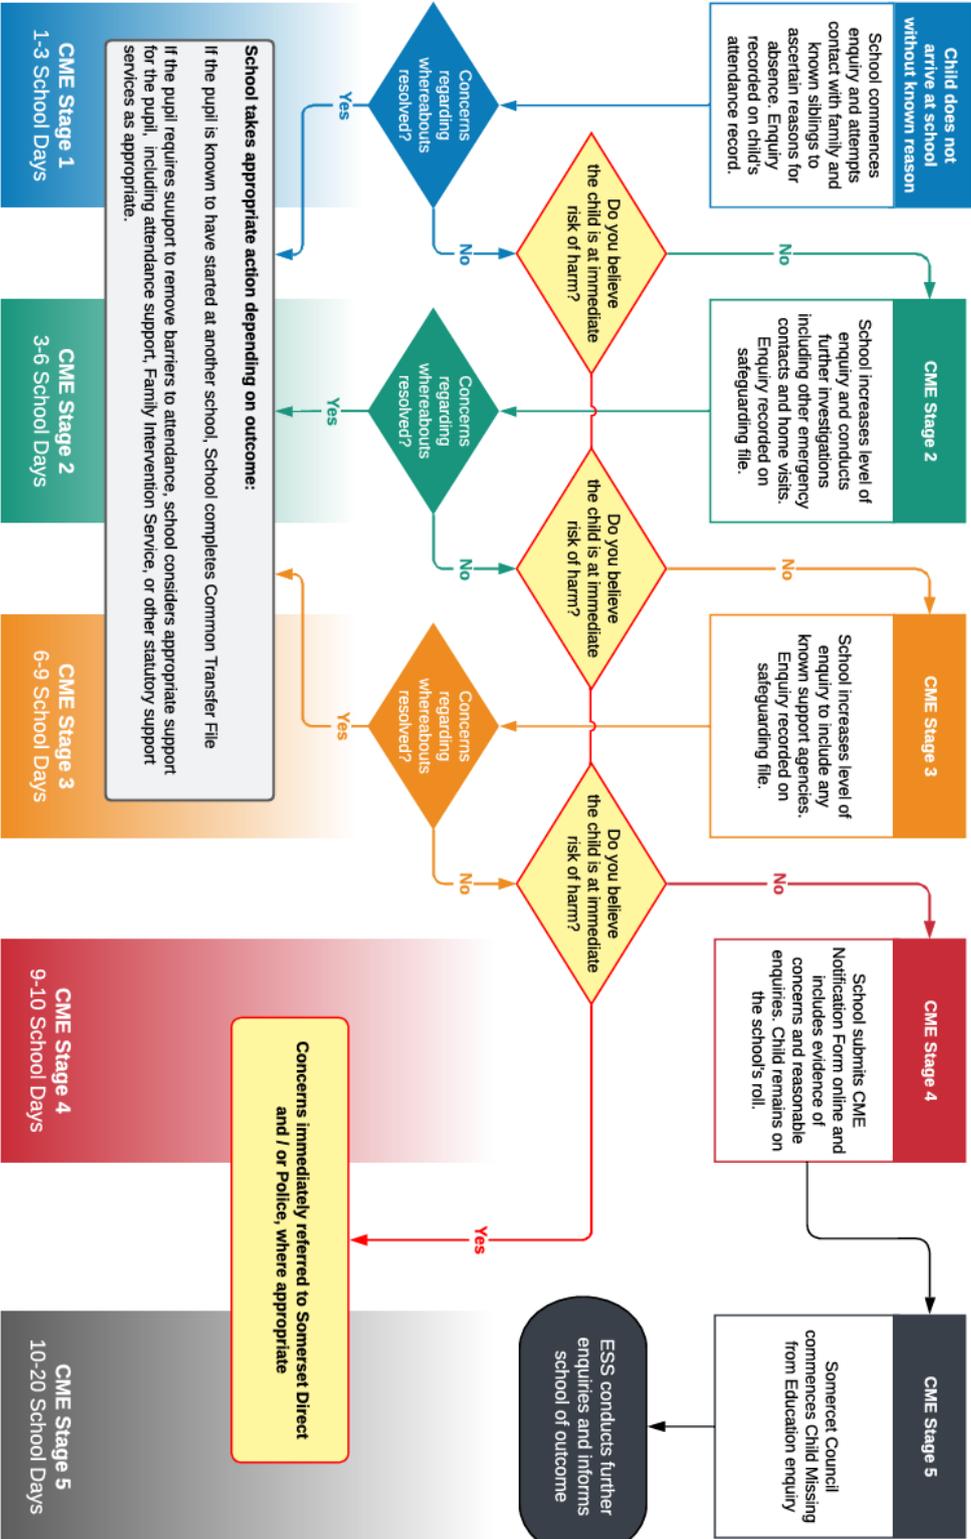

We work closely with our parents/carers to support them to help improve their child's attendance and apply the Trust's Attend Framework.

For more information, please refer to section 2 of **Working together to improve school attendance: Working together to improve school attendance - GOV.UK** ([www.gov.uk](http://www.gov.uk)):

## Appendix 2 - Steps for dealing with Children Missing Education

The school follows the Local Authority guidance when not able to make contact with a family:

### Children Missing from Education Process Map for Schools

### **Appendix 3 - Examples of absence which would not be authorised**

- Absences which have not been properly explained
- Holidays that are not authorised
- Shopping
- Birthdays
- Parental or sibling's illness
- Waiting at home for something to be fixed, or a parcel to be delivered
- Day trips
- Family events, e.g. weddings and funerals (unless of a very close relative - parent, grandparent, sibling, aunt or uncle - only the day of the wedding / funeral would be authorised)
- In the case of an authorised term time leave - if a pupil is away from school longer than was agreed, the additional absence would be unauthorised
- Any other circumstances deemed unauthorised by the Head of School
