Collective Worship Reflections

As is usual, we have begun the term with a focus on our four primary school values: love, perseverance, respect and inspire. Just like last week, each class covered this in different ways with looking at how we can show these values or how it feels when others show these values to us. In our Friday reflection time together, Ruby class's Annabelle said, "Perseverance means you try and try to do something and if it goes wrong you don't give up, you start again. I hope that with perseverance, I can be a vet." and Topaz's Megan shared, "I inspired my sister to have a go at my Heelys and try them on."

Worker of the Week

Diamond

Ada for her excellent writing this week. Ada has worked hard to include full stops in between her words and has started to extend her sentences by adding extra detail!

Lacey for her brilliant doubles work this week. Lacey has worked hard to double different numbers in a variety of practical and recorded ways!!

Emerald

Tommy for showing excellent perseverance when practicing using the column method in Maths.

Jacob D for impressing us with his super reading comprehension skills this week.

Ruby

Hayden for trying lots of new activities on the Year 3/4 residential to Kilve Court and being an absolute star for the whole of the trip.

Lilly for being extremely independent on the Year 3/4 residential to Kilve Court and being an absolute super star for the whole of the trip.

Topaz

Liam for working really well in Maths this week, showing great focus and displaying an excellent learning attitude.

Imogen for her honesty in Maths this week, ensuring that she asked for help when she needed it so she was able to work independently. A really mature and responsible approach to her learning.

Updates

Parents' Evenings

As you are aware, we are holding our postponed parents' meetings on the 18th and 19th May and we hope you received your confirmation slips, which were sent home earlier this week. If the offered date and time can't work for you, please do contact the office as soon as possible to see what other slots are available. These meetings will be face to face in school.

Yr3/4 Kilve Court Residential

A massive well done and thank you to the children and staff for taking part in our first residential since 2019. The children were brilliant, giving everything a go (climbing, low ropes, grass sledging and more) and were complemented by Kilve Court and other schools' staff for their excellent behaviour – they were a true credit to our school. We are working on a way of sharing all the photos from their adventures in the coming weeks.

Bikeability

We have 4 spaces left to fill by children in Yr5/6, who have not completed the course before. Please contact the office by Monday at the very latest if you would like your child to take part.

Guitar tuition

If your child is in Yr2-6 and is interested in learning to play the guitar, then our peripatetic guitar teacher has some spaces for new students on Friday afternoons (in school time). Please do ask at the office for information on costs and how bookings work.
