

Abbas and Templecombe
Church of England
Primary School

**Are you enthusiastic about Education?
Do you have some time to spare?
If so then you may be just the person we need!**

We are looking for committed people to join Abbas and Templecombe Primary School's Governing Board as a Co-opted Governors.

We have a number of vacancies in the co-opted governor category and would welcome applications from people with experience in:

- Finance
- Human Resources.
- Legal
- Health and Safety.
- Capital Projects Management.

The Governing Board of our school is made up of parent, staff, local authority and co-opted governors.

The recruitment process initially requires you to complete an application form accompanied with a list of skills, to allow the Governing board to understand your skill set. An interview with the Headteacher and Chair of Governors.

The Governing Board operates at a strategic level and is not involved in the day-to-day running of the school. We are responsible for both the conduct of the school and for the promotion of high standards.

Governors need not be experts in the field of education. What they do need is an interest in the school and in the welfare of its pupils, together with the time and willingness to get involved. The skills you have can be very useful to the Governing Board.

Governors also need 'soft skills' – the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question, and to make connections between different types of information.

If interested, please click the link below for the application form and further information.
