

The Ascension of Jesus

1. If you could travel in time & give your 40 year old self some words of advice, what would they be & why?
2. To what extent do you consider the good news of Jesus to be revolutionary?

Is it more useful to see faith as evolutionary (bringing about gradual change) or revolutionary (bringing about dramatic change)?

3. How do you imagine the disciples felt at witnessing Jesus' ascension?

How do you imagine the way you worship Jesus might change if he was with you in person?

'The ascension is not the absence of Christ. It's the increased and heightened presence of Christ.' Tim Keller

4. To what extent do you agree with this statement?

And if it's true, what difference should this understanding make to the way we live out our faith?

5. To what extent do you think the Church is known for a positive vision of what life with God is all about?

How can we ensure that our faith is seen as 'good news' by those we live alongside?
