

Dear friends,

Through October and November we will be basing ourselves in the Gospel of Matthew, and asking “why we need Jesus”.

Our passages will be the same as those used for the families with children service that is scheduled to meet in the afternoon each week. The material used for the service comes from a resource called Faith in Kids, this will supply the key passage for the services both morning and afternoon.

The hope is that by all engaging in the same key passages we find a way of staying connected even though we are not able to meet easily as a whole. So whether we are young, old, or somewhere in the middle, the coming months are about an opportunity for God to speak to us all be it gathered or scattered, that together we might hear his voice and discern his heart for us as a community of Christ.

Every blessing, Mark
