

Dear friends,

As you will be aware through October and November we planned to base ourselves in the Gospel of Matthew, and asking “why we need Jesus”. Our passages have come from a resource called Faith in Kids, so have been the same as those used for the families with children service that has been meeting in the afternoon each week.

We are due to go into another period of lock down so we plan to produce material available on-line which will incorporate something for all age groups. We will still be using the same Faith in Kids resource, and so following our studies in Matthew’s gospel. As you know the hope is that by all engaging in the same key passages we find a way of staying connected even though we are not able to meet easily as a whole. So whether we are young, old, or somewhere in the middle, watch out for the YouTube link through which you can access the service materials.

Every blessing, Mark

Sunday Services in November

As we enter another lockdown all places of worship will be closed. Although there will be no services at BTBC until further notice, there are the following online services planned so far and we will let you know about other future services:

UPDATE

Christmas Shoebox Appeal

This year our Christmas Shoebox Appeal needs to be run a little differently. Due to Covid 19 there are other ways in which you can contribute:

1. Fill a shoebox which, when completed, to be returned to the church on either Wednesday 4th November between 10am and 11am OR
2. You can donate a gift-filled shoebox online. You have the choice of selecting a pre-packed shoebox or choosing the items you would like to include in it. The website is: www.samaritans-purse.org.uk and then click on Operation Christmas Child and this will give you all the options. The cost of a shoebox on-line, including project costs is £20.00. If this cost is too great, please think about donating what you can.

Fund Raising for Free Cancer Screening

We're raising £200 to help fund Hospice Jinja and Gospel Cross to offer free cervical cancer screening for Ugandan women in the Bugosa region. Please donate to our JustGiving Crowdfunding Page and help make it happen:

Fund Raising Face Masks

Helene Lawson is continuing to raise money for HITS (Homeless in Teignbridge Support) by making masks and has so far raised an incredible £200!

She would like to thank you for your orders and generosity and is continuing to take orders. The masks are: made from 100 % cotton; can be washed at 60 degrees c; lined, so double thickness; adjustable at the straps and fit most face shapes.

A much better and environmentally friendly alternative to disposable / single-use masks which end up in land-fill. A voluntary contribution of £3.00 to £4.00 for HITS would be appreciated. Please phone or email Helene if you are interested on 01626 836493 / helvetia792@icloud.com
