3rd February: The governing of this nation... Seeking God in relation to the political processes of government. Managing the pandemic, Health provision and programs, vaccinations etc. The place of education, the availability of resources and support for those who are struggling. Protecting the role of politics from extremes.

10th February: The church in this nation... Seeking God in relation to how we are to be his people at this current time. What about shape, priority, focus, what are the opportunities he is beginning to create. Where have we failed to reflect his nature and heart into his world.

17th February: The people of this nation... Seeking God for the emotional, physical, and spiritual health and wellbeing of our neighbours, friends, and those that go to make up the communities of which we are a part.

24th February: The future of this nation... Seeking God in relation to the future of culture and society, the economic systems and priorities to which we align ourselves. Seeking him in regard to relationships with other nations, acting in integrity and justice, and the healing of division.

Could YOU Get Involved in our Sunday Services?

We would very much like to invite you to take part in the online services. We are looking for people to do the readings, words of testimony, intercessory prayers, as well as welcome and introductions. It doesn't matter if you haven't done it before, and you don't have to be digitally savvy, all technical assistance will be given. You don't even need a smart phone of your own, we can do the filming.

If you would like to have a go at serving in this way then please contact Mark Godbeer.
