

Please take PEWS NEWS home with you and use as a Prayer Reminder and Information Guide throughout this coming week and beyond.

Welcome back to St George's - we're so pleased to see you!

Church is going to be very different to when we were last all together back on Sunday 15th March!

First we have our beautiful new floor and chairs and the superb new sound system. Thank you to all those who have made this possible, especially John Bridger and his team.

And then there's the restrictions put in place to restrict the spread of Covid-19. We have done as much as we possibly can to make coming back to church as safe as possible for everyone so please make sure you follow all the guidance given to you by the Greeters and Wardens.

As numbers are limited by social distancing, in order to attend church you will need to book a seat
