Welcome to St George's - online or in church!

We're so pleased you could join us.

If you would like to join us for a service in church please see the website for Covid-safe instructions, and book your seat for each Sunday by emailing or calling the office by noon of the Friday before, so that we can ensure we have enough room for everyone attending to be socially distanced.

Over the next few weeks we will continue prerecording services for YouTube. On Sunday mornings we will show the music videos at church with the readings, prayers and sermon preached live. Our aim is to move through this transition period including everyone.

Please do continue to pray for wisdom for the PCC, and for energy and enthusiasm for the team as they produce video services!

Video/Audio Service

If you are unable to access our weekly YouTube Church Service on line, please contact the Church Office (details on the back page) and Bob will be in touch with you to find a way in which he can help you either listen to or watch the service.

Prayer Requests

Members and friends of the fellowship in need of our prayers this week:

**Irene Daley; June Elphick; Hilary Ferries; Doris Richardson;
Jeremy Robinson.**

A message from Jeremy - thanks to all who have been praying for an improvement in my health & wellbeing. Prayers are very well received, thank you & have clearly been answered as there has been a general improvement in the short term but still no clear diagnosis or prognosis, so please keep 'em coming.

Please also pray for **Kathryn and her teams** as the **Youth and Family Work** starts to resume face-to-face instead of online.

Newsletters from **Acorn Pregnancy Counselling** and **FSW** (the Chichester Diocesan Association supporting families in Sussex to overcome difficulties and prevent crisis). Please contact the Church Office if you would like copies of these.

Zoom Prayer Meetings and Home Groups

If you would like to join a Zoom Prayer Meeting or a Zoom Home Group please contact the Church Office for further information.

Zoom Prayer Meetings take place at 4pm on Friday afternoons. The next one will be on **Friday 30th April**.

Youth Activities

Young Followers - are restarting this week in the Church Hall. The children will not be coming into Church but going straight to the hall. Kathryn will be contacting all the families concerned.

Toddlers - restarts on **Thursday 29th April** with a booking in system and waiting list in place as spaces will be limited. The session will run from 9.30-10.15am.

Youth Bible Study - (for school year 9+) face-to-face meetings in the church hall on 1st & 3rd Sundays at 6pm resume from **Sunday 2nd May**.

Details on how **Messy Church & Youth Club** will be restarting to follow soon.

Please contact Kathryn (details on the back of Pews News) about anything to do with the ongoing Youth Work at St George's, especially how the groups will run in a Covid-safe way.

Please praise God that these activities can now safely resume, and please pray for Kathryn and her teams - for safety, to put at rest any fears and anxieties at rest, and for enthusiasm and commitment from all concerned.

St George's Annual Parochial Church Meeting

The date of the APCM and Election of Churchwardens has been changed to **Sunday 16th May** immediately after the morning service.

The date has been changed to allow more people to attend in person as further restrictions are gradually lifted.

St George's Green Gym Invitation

We are building an informal team to look after the church grounds, with tasks like weeding, trimming, lawn edging and mowing.

The idea is that you have a walk around the gardens when you have some time, see what wants doing then find some tools in the garden shed. A great way to help out, have some exercise and help keep the gardens tidy and looking good!

If you would like to help please contact Mike Tyler or the Church Office for more details.

HP Ink

If you have an HP printer that takes HP 364 cartridges (set of 4) please contact the Church Office as Chris Clarke has an unwanted set available.

Supporting St George's for free
