

December services

When we are allowed back in church, the services will return to the usual time of 10.30am

If you are unable to access the internet, there are many ways you can take part in worship. The BBC have content on TV and radio.

There is a dial in service from the Church of England called Daily Hope. It's a freephone number 0800 804 8044 and there are many options to choose from.

Should you want to talk or pray with a member of our church, do please get in touch.

The Silver Service Congregation will be visited again before Christmas. If you know of anyone who might benefit from this, do let us know.

Please register your interest for any of these services as early as possible so that we can prepare enough resources for everyone.
