

# Fulbourn and the Wilbrahams

# CHURCH SERVICES DURING September 2021

We are once again holding in-person services. These services will be subject to current Covid-19 restrictions. Please note that the wearing of a face covering is mandatory in St Vigor's, together with social distancing and registering for NHS Track and Trace. In Great Wilbraham, you are strongly encouraged to wear a face covering, . But the great news is that, once again across the benefice, we will be singing joyfully during our services.

Our weekly Sunday Eucharist, and other major services, will continue to be streamed live on our benefice Facebook page. Streamed services will be viewable as a recording once they are over.
