

Walbury Beacon Benefice **Prayer for Ukraine**

*written for us by Patrick Whitworth*

Heavenly Father, Ruler of the Nations,  
look with compassion on the people of Ukraine.  
Give wisdom and courage to its leaders.  
Protect women and children as they shelter from or flee the fighting.  
Give support and care to the refugees and to the countries helping them.  
Draw close to the young men and soldiers suddenly finding themselves in combat.  
Comfort the bereaved. And finally bring peace with dignity, freedom and hope  
for the future of Ukraine. Amen
