MISSION/VISION STATEMENT

Loving God, Serving Others,
Building Community

OUR JESUS-SHAPED CHURCH IS...

Welcoming!

Jesus welcomed **all** who came to Him without judgment, and we aim to be an inclusive church, welcoming to all.

Developing Faith!

Jesus' ministry was all about sharing the Gospel with others. As a church, we need to make sure we are deepening faith and making disciples, supporting individuals on their own faith journeys, and taking the Gospel and sharing our faith beyond the walls of our church.

Reaching Out!

Jesus reached out to everyone, and we must too: within our own church community, within our local community and beyond. We will serve God by serving others.

Caring!

Jesus said: "A new command I give you: Love one another. As I have loved you, so you must love one another." It is essential that all that we do is done in love and that caring for others/serving others is at the heart of our church.

Prayerful!

As it did for Jesus, we will make sure that prayer underpins all that we do as a church, that we might serve the mission of God as He wills.

Message from the Student Minister

When I visit different Churches in the partnership I often get asked where I am up to in my training for Ministry, ‘how long have you got left Ed?’ ‘What’s the next step for you?’

For the record, I have one year left of my training at Luther King House and my placement with the Bury, Rochdale and North Manchester missional partnership, so you haven’t got rid of me just yet! My next step has been writing my ministry profile which contains all sorts of things about me from GCSEs at Aldridge School in the West Midlands to working at JTF in Walsall. Bit of a blast from the past in writing various CVs!

That was the easy bit, the hard bit was being asked to provide a ‘*detailed comment on your theological outlook... vision for the Church... leadership style & priorities in ministry*’, amongst many other things within 4 A4 pages if possible. This was one of the hardest things I have ever had to write and for a variety of reasons, trying to give a detailed picture of Ed Lyne and my outlook as a minister within 4 pages was excruciating.

The theology bit was difficult as I’m not a Christian who subscribes to a particular theology as such, I like to take bits of different theologies and combine them. Considering for example how important it is to help people in poverty but also considering why they are in poverty. Is it because of their gender, or ethnicity or what area they are living in? Here combined is some Liberation, Feminist & Social theology, yikes!

The vision for the Church was also a challenge; do I see the Church as something that needs to be turned upside down in order to be relevant, or

to try and revive the spirit of the past that made the Church a real pillar of the community? In all honesty it's a bit of both.

That is when it dawned on me that the people who are going to be reading this profile don't know me from Adam. 'What is this Ed Lyne' like? What theological views will he be bringing to our Pastorate? What vision for the future does he see for us?'

For many of us this is where the guilt sets in believing that people have an expectation for us to have everything worked out. That we have our precise views on what theologies we believe in and know for certain our vision for the Churches we love and cherish. The only advice I can give for these situations is to make sure that someone is there for you. I've had three close friends read my profile and not only offer feedback but also reassurances, that they too have come across these same challenges to define their theology and visions for the Church. So, make sure you have your friends around you.

I also don't honestly think that anyone has their theology, Church vision or anything in life fully figured out; if they have then they are not doing what God wants. They may be content to remain static and unmoving, unable to grow. There is nothing wrong with knowing things about theology, life and Church vision but don't let these aspects consume you.

I also advise you to believe in yourself, if you encounter questions such as these that fill your mind with despair... then take some time out if you can. Go for a walk, have a cup of tea, get away from the PC or paper for a while and come back to it later.

But the most important source of comfort of course is God, who helps us to answer these impossible questions and encourages us to find an answer, even if we don't think we are good enough.

So, for all of us on these impossible journeys, I am with you, let us move forward as friends and followers of Jesus in solidarity together. Amen.

Ed Lyne

This is your chance to invite friends and neighbours who may never have visited to come and take a look. Who knows they may return and become part of our congregation.

If you are available to help in any way, please let Louise know. We need meeters and greeters, friendly faces and definitely help with a little light catering.

God's whisper to me

Editor: The following poem was inspired by a lady called Phil Bevan who responded to God's call to take aid to Myanmar after floods there, many years ago...

God whispered in my ear one day
And said how it would be
I shrugged and turned away and said
"No way, You can't mean me!"

Next time it wasn't a whisper
He spoke quite loud and clear
He had a job for me to do
He said "have faith, don't fear".

So I took the challenge offered
But how should I begin?
This task was much too big for me
I had to trust in Him.

When the problems overwhelmed me
And I couldn't see my way
I'd put my faith and hope in Him
Fall to my knees and pray.

And my God, He never failed me
Through good days and through bad
He filled me with a courage
I never knew I had.

So if you feel God calling you
Don't doubt and answer "no"
He knows the plans He has for you
Step out in faith...and go!

What a Scorcher!

This year's **Summer Garden Party** took place on the hottest day of the year so far.

When Addie put out an appeal for gazebos to protect us from the sun, we all laughed as these tend to protect us from the rain. But on this occasion he was spot on.

What a fabulous effort by all who contributed in any way. Particular mention to Julie who coordinates the chaos.

Ice creams sold out, Wet Sponge Throwing was popular and afternoon teas were eaten under any shade available. Rochdale Pop Choir and St Michael's Choir sang their hearts out despite it being too hot for people to sit nearby. Debbie did a sterling job showcasing all the wonderful work which takes place at chapel.

All adding up to a fabulous day which will be remembered for many years for all the fun and fellowship and especially for the amazing weather.

Abiding in Jesus

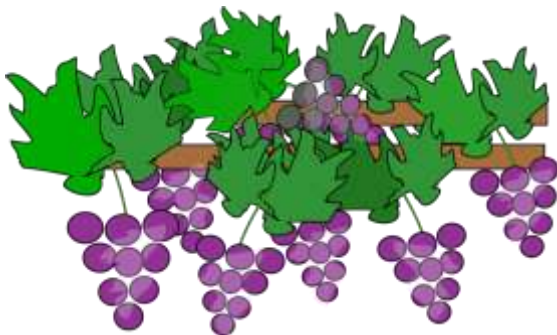

This is the time of year for many churches to hold their Harvest Festival services. No doubt, there will be displays of food, some bought with others grown in gardens and allotments. While gardeners can have pleasure growing fruit and vegetables it can be hard work tending to them and dealing with pests.

Jesus knew about the care given to vines. In John 15:1-8 Jesus compared Himself to a vine and referred to God as the gardener. These verses are both challenging and reassuring. In this parable, God is responsible for pruning the vine. He sees what parts are useful and what parts are useless. The unproductive parts are cut away, so that growth is encouraged. Jesus is telling us that God will prune our lives, not to harm us, but to encourage our spiritual growth.

God's pruning cuts away wrong attitudes and wasteful behaviour, all of which serve no useful purpose in our lives. This pruning is required so that we become more fruitful. And the fruit God wants is love, joy, patience etc. (see Galatians 5:22-23) These holy qualities are intended to influence the world to change it from the bad to all that is good.

To encourage its growth, a vine has to be regularly cut back. The effect looks drastic, but essential. When God cuts away the dead wood in our lives He does it because He knows how our lives can grow. The pruning knives are in the hands of our Father God who only desires the best for us. This pruning process can be painful, but Jesus says that it is vital if the Holy Spirit is to flow through us to produce the fruit that God wants.

Also in this parable, Jesus said He was the vine, and we are the branches.

We have no existence apart from Jesus. We can do nothing for God on our own and must be joined to Jesus. In the same way a vine utilises the life-giving sap to flow into the branches, so we need the Holy Spirit to flow His life into us. It is only by remaining in Jesus can

He give us the inner resources for an effective fruit-producing life.

Jesus said 'Abide in Me' (John 15:4 King James Version). Abiding speaks of sustenance, being upheld and supported, enduring and withstanding. So, if we are to reap a harvest of holiness, may we be prepared for God's pruning, and continue to abide in Jesus, our Lord and Saviour.

Three Good Arguments

There were 3 good arguments that Jesus was black:

1. He called everyone brother
2. He liked gospel music
3. He didn't get a fair trial

But then there were 3 equally good arguments that Jesus was Jewish:

1. He went into His Father's business
2. He lived at home until He was 33
3. He was sure His mother was a virgin, and His Mother was sure He was God

Then there were 3 arguments that Jesus was a Californian:

1. He never cut His hair
2. He walked around barefoot
3. He started a new religion.

Then there were 3 equally good arguments that Jesus was an American Indian:

1. He was at peace with nature
2. He ate a lot of fish
3. He talked about the Great Spirit

But there were 3 good arguments Jesus was Irish:

1. He never got married
2. He was always telling stories
3. He loved green pastures.

But the most compelling evidence of all – 3 proofs that Jesus was a woman:

1. He fed a crowd at a moment's notice when there was virtually no food.
2. He kept trying to get a message across to a bunch of men who just didn't get it.
3. And even when He was dead, He had to get up because there was still work to do....

Mayor's Visit to the Film Club

On Saturday 16th August, we were delighted that the Mayor of Rochdale, Councillor Janet Elmsley accepted our invitation to come to the film club, along with her Consort and husband, Ken.

She had had a very busy day and was happy to sit down and chat with people whilst enjoying a cup of tea before the film started. The film, "Paddington in Peru" was the only one she could come to because of her busy schedule, but as she said at the end of the film, it was really enjoyable and had a strong message about belonging, family and caring for each other.

In fact she enjoyed the evening so much that she said she would like to come again once her Mayoral year is over.

Divine Intervention?

A painter and decorator was awarded the contract to redecorate the interior of St Paul's Cathedral. Working alone the work took him some time but he was making a splendid job of it.

As he worked his way along the final wall, however, he realised that he did not have quite enough emulsion to finish it and so diluted his paint with water enabling him to finish the wall before the imminent arrival of the Dean for an inspection.

Standing back from the wall the painter was horrified to see that the diluted paint had not covered adequately, and the old paint colour was grinning through. In desperation (and with the Dean approaching) he lifted his eyes up and prayed for help, whereupon there was a rumble of thunder and a voice from the dome said ***"Repaint and do not Thin again".***

In aid of Myaware

On the 1st Saturday in July I was very happy to see the wonderful support we received for our fund-raising event in aid of Myaware, who support and fund research for people diagnosed with the very rare condition, Myasthenia Gravis. The morning raised £465.00, which included donations given to us at Chapel on Sunday morning.

A big thank you to Addie and Barbara, Angela, Elizabeth, Wendy and Finlay for supporting me.

It makes me feel humbled when I think of how 'our Chapel folk' work to support our community in its simple but effective way, and in doing so shows God's world how we can all work together.

Developing World Project 2025

Recommendation to Elder's and Church Meeting

The Church in the World Group has decided to recommend Great Minds Bright Futures as the Church's Project for 2025. The organisation provides services for children in Malawi.

We hope that you will feel as we do that the monies given and raised by this Church can be used to help children and young people and families in Malawi to reach their potential and live life well.

"Creating a loving, safe space with activities and opportunities for vulnerable Malawian children to learn, play, thrive and be the best versions of themselves!"

The UK based charity provides services in the Central Region of Malawi.

Malawi is a country of great need with a GDP (Gross Domestic Product) of around 500 dollars per capita, one of the lowest in the African Continent. There are no naturally occurring resources. Being a poor country means that Malawi is ill-equipped to deal with other problems like the displacement of thousands through flooding caused by Climate Change, leading to other threats like Cholera.

The language spoken in this region is Chichewa

Background to organisation: Great Minds Bright Futures

The organisation was set up by a local businessman, Dave Armstrong. There are no UK costs as these are absorbed by Dave's business with all monies raised in the UK utilised in Malawi.

Great Minds Bright Futures works with children who are orphans due to parental death caused by HIV/AIDS, malaria and general ill health caused by poverty. Improving health inequalities and education is key in the charity's work.

Dave is very engaged with the local community and uses local businesses and volunteers to carry out building work and provide support services.

Currently, they fund three centres in Dowa, the central region of Malawi, approximately 50km north of the capital Lilongwe. The main centre is Chunzu, then Funsani and our third is at Dzaleka Refugee Camp. In the last few months, the charity has been offered some buildings at the camp and are in the process of sorting costs for the renovation to make them suitable for the children.

Description of project/how money raised will be used:

To provide the following:

Mosquito nets for 300 orphaned children, cost £20.00 each Total Cost £6,000.

After discussion with Dave and reviewing a variety of needs with Dave the group felt this would be a good tangible achievable challenge for our church family.

Is there a local UK contact that will be able to support us and provide feedback?

Dave Armstrong lives locally and will provide ongoing support and information during our giving period. The group always feels this makes a huge difference to our engagement.

continued.....

Is the Organisation a Registered Charity?

The charity is registered in the UK and has a turnover of around £200,000 annually. Charity number 1206579. The charity is well established, and Dave has been raising money for children in Malawi for many years prior to setting up this charity.

Have we contributed to a project in this country previously?

The Church has previously supported a project in Malawi in 1999 and 2021.

Appeal to Bamford Chapel and Norden URC Congregation:

Sue Travis, Group Convener, was inspired by Dave Armstrong when she met him earlier this year. The group have subsequently liaised and met with Dave to hear about his voluntary work in Malawi and outcomes achieved for orphaned children. Dave is inspirational and we feel will be able to engage well with the whole congregation and church groups of all ages. He is willing to speak at our launch service in September and provide regular updates in our giving period. He is also keen to create virtual links for any of our young people's groups so they can meet the children of Malawi being supported.

Current Church in the World Group members, but new members are always welcome:

Addie Redmond	Carol Hartley
Gillian James	Rebecca Abbott

Luncheon Club

On Wednesday 30th July we enjoyed a lovely Summer 'afternoon tea' kind of meal at the luncheon club, which was the last before our August break.

Nita's delicious homemade quiche, with salad, followed by meringue and fresh fruit sundae went down a treat with all our members.

We are now completely full again, with 3 new members starting in September, and 14 of them are over 90 years old. It must be the good, nutritious food we prepare and serve on the premises each week!

I want to say a HUGE “thankyou” to all our volunteer cooks, hostesses and drivers for their sterling work during the last 12 months. Over the almost 50 years of its history there have been many changes of staff, and some of the original volunteers now sit and enjoy their meals as members. I know that it is greatly appreciated by the local community. May it long continue. If you would like to get involved as a volunteer, I can guarantee lots of fun and friendship.

Do you ever visit other Churches?

Do you ever go to worship at another church when you are on holiday?

Steve and Sheila Lawley have been visiting Flowergate URC in Whitby over the past 18 years when staying at their caravan. Steve reads the lesson whenever they visit and sends our church magazine on a monthly basis.

It is good to know that the Church Secretary, Keith Robinson, appreciates having our magazine and regularly looks for inspiration for his Sunday order of service. This is a good example of Bamford Chapel & Norden URC reaching out in the community, even though it is 115 miles away!

Next time you are on holiday and visit a church, whether for worship or as a tourist, please think about writing an article for the next magazine. I'm sure it would be of interest to other readers.

Toddler Group

I would like to encourage anyone who is able to support the Toddler Group from one Tuesday morning per week to as many as you feel appropriate per month.

At the moment there are 7 of us working different Tuesday mornings per month. Five come every Tuesday morning and 2 alternating Tuesday mornings. Finlay also helps each week.

Due to ill health and family commitments the help support needs a boost. The roles are working with the toddlers at craft tables, and kitchen help serving refreshments to parents, offering fresh fruit, biscuits, toast and juice to the toddlers. We also have the occasional birthday.

Toddlers at Chapel started around 30 years ago as a come and play support group for young mums. It has grown to be a popular meeting place for toddlers with grandparents and mums and dads. A few years ago we won the Net Mums Gold award.

Please think prayerfully about whether this is a role you could fulfil.
