## GO and MAKE disciples

Shortly after I gave my life to Christ, I discovered that there was a whole Christian sub-culture of residential seminars, camps and festivals. It wasn't long before we took the family away at Easter to Spring Harvest and experienced the joy of big celebrations as well as learning more through lots of seminars. These later extended into the summer months as we went along to festivals in Dorset, and then to Faith Camp in Peterborough, which we've been a part of for over twenty years. These camps are a great way to accelerate your understanding of the Christian faith and you don't even have to camp as many have alternative local accommodation.

I had an unusual experience last year at New Wine at Shepton Mallet. The speaker gave a message calling the congregation to get up and go – in other words to take action in reaching out to those who don't know Jesus. As she was speaking, I had this urge to stand up. Given that I was among a couple of thousand seated people and therefore very visible in the large marquee, I decided to play a waiting game. However, I know from previous times when something similar has happened, that it is not simply going to go away. The compulsion continued to grow and it seemed that the Holy Spirit was on my case. This went on for about fifteen minutes, but I then saw a man stand up further across the marquee. This was all I needed and as I stood to my feet, I saw someone else do so as well. By now, there were three of us standing and the speaker, on seeing us, invited anyone that was sensing a compulsion to come out to the front. I didn't need inviting twice and I rushed to the front – climbing over the back of my chair, accidentally kicking my wife in the process, and running to the front of the stage. The prayer ministry team prayed for me and I fell to the floor in the power of the Spirit and had a sense that I had received much anointing – and the word, GO.

This year, at Faith Camp, I felt that I should go along to a seminar on Making Disciples. The speaker believed that there was a fresh anointing coming to help the church to make disciples, through multiplication. The speaker was emphasizing the importance of prioritising on three key actions – to Know Christ, to Follow Christ and to Make Disciples. He asked us three questions:

- Does everything I do connect with Jesus' command to Go and Make?
- Am I living as a disciple of Jesus in these three areas?
- Is the church I'm a part of focused on these three areas?

It seems as if I've collected my second word, MAKE, to attach to my GO.

*Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit. Matthew 28:19 (NIV)*

Paul

### *Psalms – Financial Administrator – Charity Commission - Confirmation*

**Psalms for Summer** – I hope that the Summer has been a break for you, or at least, a chance to vary the pace of your life. At two of our churches during the Summer months, we've been looking at a number of Psalms. Most of us have got a few favourite psalms, but this has been an opportunity to extend our repertoire. There are 150 psalms and they can be categorized into psalms of trust, lament, thanksgiving, salvation, praise and wisdom. Would you like to hear more? Listen to the recordings at: [www.stmartinsworle.org.uk](http://www.stmartinsworle.org.uk)

**Financial Administrator** – I am pleased to announce that Mrs Abbe Hayward has been appointed as Financial Administrator to the Parish of Worle. Abbe will start on 1 September and there will be a gradual handover from Neil Adams, who is retiring. We are delighted to welcome Abbe to this position.

**Charity Commission** – The Parish of Worle is now registered with the Charity Commissioners, under the name of The Parochial Church Council of the Ecclesiastical Parish of Worle and has been given a Charity Number. Each of the Parochial Church Council members has had to sign Trustee Declarations. I would like to record my thanks to Neil Adams for his diligent and hard work over several years in completing this registration.

**Confirmation** – This year our Deanery confirmation will be taking place at Wells and it would be a good opportunity for a group of us to go together. It will take place at Wells Cathedral on Saturday 1 November. If you were baptised as a young person and would like to be confirmed by the Bishop, please let Revd Paul or Revd Anne know. Also, if you have never been baptized and would like to do so, this could be a great opportunity in a special setting.

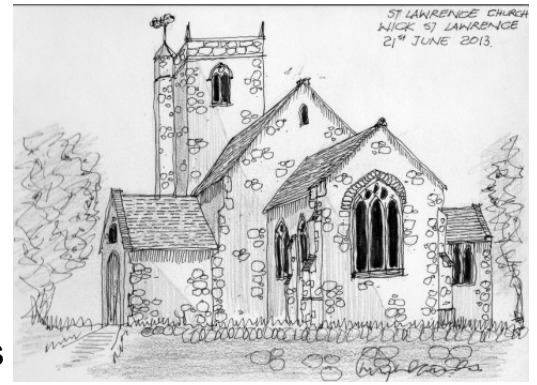

**Exploring Spirituality** - A course run by the Diocese of Bath and Wells beginning September 2014. Course 1 - Exploring Your Spiritual Journey. Course begins September 2015. Course 2 - Equipping for Spiritual Accompaniment. For more details please see the poster in churches or visit: [www.bathandwells.org.uk](http://www.bathandwells.org.uk)

## St Lawrence Church, Wick St Lawrence

In August James and Henry Hutchings have been selling their organic free range eggs at the end of the Sunday services. James, 6, has been keeping hens since he was 3 when he asked to have some for his birthday. **'Hutchings Happy Hens'** live in a field behind the house. There are now 20

hens which James looks after with his brother Henry, 4. The hens are fed grit to help them build bulk to develop eggs, layer pellets and as a treat corn and worms which the boys pick up after dad has been ploughing. James takes orders from his teachers at St Anne's school, carrying the eggs to school in a basket on the bus. The boys are entirely hands on, feeding, cleaning out and caring for the hens themselves. This year James won 2nd prize at the North Somerset Show for his eggs, competing in the adult category.

**Saturday 6 September** sees the much welcome return of **Sanctuary Mornings** in Wick St Lawrence church, an opportunity to enjoy the quiet of the church, rest in God's presence and take time to pause in the busyness of life. 10 – 12.30pm, refreshments provided, stay as long or short as you like.

## Wonderful Worship

As our regulars know, we don't have many musicians at the moment. Worship coordinator Rob Taylor and our musicians and singers are doing a very good job of blessing us week by week, and we are very grateful for this. But it's tiring on them when there are so few musicians.

We want our worship to be passionate and powerful.

We want to encounter God's presence and catch a glimpse of his awesome glory in our heart and mind.

To help us with this our friends from Hope church in Worle will be joining us for a season on the ***first Sunday morning of each month, starting in September***. Two or three musicians and singers will be boosting our worship times during the shorter Service of the Word. In my chats with Paul Maxwell, senior pastor at Hope church, we've discussed the difference in worship style and churchmanship between our two churches. We've talked about volume levels, types of songs, length of service, and I'm confident that this will be a blessing to St Mark's and to Hope church.

Part of the benefit for Paul's team will be the exposure to a different style of worship and a chance to exercise their gifts, whilst we get the benefit of great musicians and passionate worshippers.

Please pray for our friends at Hope church, and let's work together to make this a fantastic blessing for all.

In the longer term here at St Mark's I want us to be able to glorify God with a larger band of musicians and singers. If you've ever been to a worship event like a New Wine summer conference, or Spring Harvest, you'll have an idea of where I want to take us. For me a good mixture of the old and the new is important – the classic hymns and the best of modern worship.

The most important factor however, is our heart for worship. Are we hungry for God's company - a tangible sense of being in his supernatural presence? In that place, amazing things can happen!

With love, Chris

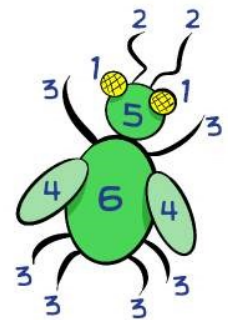

# St Martin's Church

**Commemoration Service** - Sunday 3 August was a very special day at St Martin's when we dedicated the refurbished Roll of Honour of those who served in the First World War from Worle. The afternoon began with over eighty cream teas being served which gave people a chance to look at the board and share memories of parents, grandparents, uncles and great uncles who served. Some brought photos of family members who fought and who are remembered with love. Many stayed on for the Commemoration Service led by Revd Paul Larcombe and Revd Chris Elms, an opportunity to reflect and remember and as Revd Paul described, for one generation to speak to another.

## **Harvest Weekend Beetle Drive with Fish and Chip Supper -**

This most enjoyable family event takes place on Saturday 27 September at 7pm. Cost per adult for fish and chips is £9, for children sausage and chips £5. All funds raised will be for the general upkeep of St Martin's Church. If you would like a place there is a sign up list in the church porch (by 21 September please) or contact the Parish Office.

**Harvest Thanksgiving Service** in church at 8am and 10am is on Sunday 28 September. This year Little Martin's will be contributing to the church decorations for the first time so we look forward to seeing their display along with the many others in church.

**St Martin's Baby and Toddler Group** resumes on Tuesday 9 September at 9.30am. We paid an emotional farewell to eight members of our group going on to school or pre-school and one to spend time with family in Bosnia. We look forward to greeting new members to share play, craft, singing and drinks. Any new enquiries please contact the Parish Office in the first instance.

**Holiday 2015!** We have enjoyed a beautiful summer and arrangements are already afoot for next year's St Martin's Church Holiday. This will be a five day tour of the Peak District and Derbyshire Dales staying at the four star Palace Hotel in Buxton from Monday 8 to Friday 12 June. Travel is by coach. If you are interested please contact Paul and Joan Elliot on 01934 513968. Places book up quickly so don't delay.

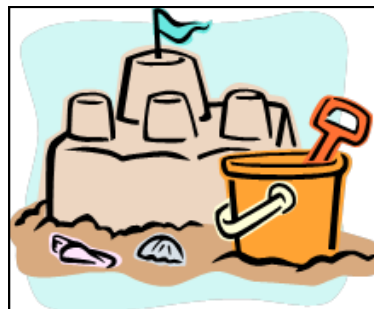

**St. Martin's Church Fellowship** meet in Church on the second Tuesday in the month at 2.15pm. The next meeting is on the 9 September. Our speaker is Mrs Ann Miller who will give us a talk on, A Holiday in Sri Lanka. The Fellowship is open to everyone.

## Mead Vale Church

Have you been on your holidays over the summer? We hope you have returned refreshed and revitalised and ready to face the rest of the year!

As the children and young people go back to school, we hold our 'backpack service'. During this, they bring book bags, backpacks and lunch boxes to be blessed.

We are heading into the season of Harvest and will celebrate with a Church breakfast on Harvest Sunday, 28 September. Thanksgiving ceremonies and celebrations for a successful harvest are both worldwide and very ancient. In Britain, we have given thanks for successful harvests since pagan times. We normally celebrate this day by singing, praying and decorating our churches with baskets of fruit and food. Harvest Festival reminds Christians of all the good things God gives them, encouraging them to share with others who are not so fortunate. People often bring food from home, which is put on display during the service and afterwards, is passed onto people in need.

Our next coffee morning will be held on Saturday 20 September. Come and join us between 10.00 and 11.30 am.
