

St Buryan Church Choir

The church has had a traditional robed choir for many years leading the singing in the church. This continues today in our Sung Eucharist services held on most Sunday mornings and at Sung Evensong which is once a month during the summer months.

We also enjoy a more relaxed singing group at our Informal Services held usually on the third Sunday of the month.

**JOIN THE
CHOIR**

If you cannot commit to every week, perhaps you would just like to come along for Evensong or just the Informal Service.

There is a short choir practice before each service. If you can read music all the better, but if not, do not worry. The important thing is to enjoy singing and be part of a friendly group.

Join the Choir.
You'll Be Glad
You Did!

**Girls and boys, young and not so young are all very
welcome to join**
