

Your Church Wedding at Yarm Church

Congratulations on your forthcoming marriage. The Rector and all those connected with our church, St Mary Magdalene Yarm, want to help and support you, whatever stage you are at with your planning.

Did You Know?

- St Mary Magdalene, Yarm, loves doing weddings; it has been doing weddings for several hundreds of years.
- Top reasons for a church wedding are the venue, the vows and the Rector (Vicar).
- You don't have to marry on a Saturday; Fridays and Sundays are common but you can get married on any day of the week.
- A wedding ring is a symbol of unending love and faithfulness.
- There are some special things you need to know if you are a non-British national and would love to marry in our church.

From your first contact with our Rector and other people involved with St Mary Magdalene Yarm, to your first anniversary and beyond, we are here to help and support you. You do not have to be christened to be married in our church, you are welcome in our church whatever your beliefs

For more details please contact the Rector
