

Intimations

Craigsbank Parish Church

22 March 2020

Season of Lent

All church services have been suspended for the foreseeable future.

Online Church Service

We aim to have a service uploaded by Sunday morning at 8am so that people can watch or download it any time after that either from the website or from Facebook.

Newsletters

The minister is planning to email a newsletter each week to those of the congregation with an email address.

Similarly, there is a newsletter planned for young parents and this will have input from Lesley Lawrie, Children and Families Worker.

Bible Class

This is our only activity still running and now takes the form of an online Bible Class on a Thursday morning from 10.30am - 12.00pm.

If you would like to join this each week or even occasionally please contact the minister who will guide you in setting up ZOOM. This is a very straightforward video conferencing facility which is handy for meetings. If you have ever spoken on Skype you will know what to expect.

Updates from Eco Group

The following events have now been cancelled - The Easter Play in Princes Street Gardens - 11 April 2020 : Corstorphine Fair - 13 June 2020.

In view of current restrictions the members of the Eco Group will not be taking part in the Vigil outside the City Chambers to mark "Earth Hour 2020" but wish to encourage members and friends of our Church family to "switch off" to mark this hour.

Happy Mother's Day
