A Taste of Christmas... at home! Our usual selection of goodies delivered to your door by St. Thomas' Church

All proceeds will contribute towards Church funds

It's nearly that time of year again! This year, we sadly can't meet at St. Thomas' Church. Not wanting to be defeated by current circumstances, we have decided to hold **A Taste of Christmas... At Home!**

As a community, the people of High Lane have supported **A Taste of Christmas** since its inception four years ago. We're asking that you support it again this year, with even more enthusiasm! Since March, our fundraising has ground to a halt and in previous years, **A Taste of Christmas** has been both a wonderful community event and a major contribution to annual Church funds.

A Taste of Christmas has been a testimony to a community of all ages coming together to enjoy an occasion which celebrates togetherness and unity during the festive season. Through your participation and support, we want this year to be an extra-special event despite the challenges we continue to face.

In the past, we've always enjoyed **A Taste of Christmas** face-to-face, but this year we're providing you with the chance to get into the Christmas spirit by purchasing some of your favourite **ATOC** items all from the comfort and safety of your own home!

There are several ways orders can be made and we have been careful to ensure that we have been as inclusive as possible to ensure everyone has the potential to access this.

How Can I Order?

Via the High Lane Community Facebook Page

Via the St. Thomas' Church Facebook Page

By filling in a form which will be enclosed in the November issue of the Parish Magazine

Orders can also be made over the telephone:

Janet Bailey: 01663 810 102

Alison Bardsley: 01663 766033

Email: atasteofchristmas1@gmail.com

We can also post forms upon request

This year, **A Taste of Christmas... At Home** will be stocking the following items:

Jams and Chutneys: A firm Taste of Christmas favourite!

As with previous years, we are pleased to offer delicious home-made jams and chutneys made by the St. Thomas' wives group, with ingredients sourced locally. Perfect presents for friends, family, teachers and neighbours... or buy a jar just for you!

Pies: Nothing beats the savoury aroma of a home-made pie!

St. Thomas' pies have been extremely popular with High Laners in past years, due to the talent of our home-grown bakers!

From meat and potato to a delicious butternut squash, beetroot and feta - have them delivered directly to your door!

Cakes: A slice of home-made cake and a cup of tea... you deserve it!

Choose from traditional Victoria Sponge or a spot of Lemon Drizzle, there's lots of delicious options to choose from this year!

Dish Cloths:

In this time of ecological awareness, St Thomas' reusable dish cloths tick all the boxes!

Hand-knitted, made from 100% cotton, washable and reusable, these dish cloths are the top-pick for those wanting to make environmentally conscious purchases this Christmas. Excellent stocking-stuffers!

High Lane Calendars:

We can all agree that 2020 has been a very challenging year and we're all looking forward to a fresh start. The High Lane 2021 Calendar, featuring beautiful photography of local landmarks is the perfect way to kick-start a brand new year. *All proceeds from the calendars will go to the Hatters Outreach Charity*

Christmas Flower Arrangements:

We are offering ten door swags and ten table arrangements to compliment your Christmas decorations. Every item is designed using fresh flowers and will be delivered to your door two weeks before Christmas (on or around December 12th).
