ONE - U2

'Carry each other'

We pray for the strength to help and support each other.

Think of one person who particularly needs to be carried at this time. Focus on that one person while the song plays.

'One life with each other'

We pray for peace in the world - we ask for an understanding of people's different views and an acceptance of their right to hold them, particularly for those in authority, so that we can all live this life at peace with each other.

Shackles - Mary Mary

'Take the shackles off my feet so I can dance'

What 'shackles' are holding us back?

What things do we need releasing from to make us free?

Think about one thing that is stopping you from being free while the song is played and ask God to 'set you free'.

I'm gonna praise you

Think of how you can use the gifts and talents you have been given to work for the Glory of God as you go through today.

Think about key Christian qualities; love, forgiveness, hope, joy, justice, peace, service. Focus on how you can put one of these into action today as you listen to the song.

Blinded by your Grace

'Although I'm not worthy
You fixed me'

Dear Lord, I am sorry for the things I have done which make me feel 'unworthy' and I thank you for 'fixing me' and showing me that there is nothing I can do which would separate me from your love. Amen.

'I said a prayer this
morning, I prayed I
would find the way to
another day'

Dear Lord, we pray for all those who are finding it difficult to look forward. We ask that you will fill them with your grace and give them hope. Amen.
