## The Parish Council

May has seen two sets of elections - the Parish and District elections and the European elections. The electorate have used these to express their disillusionment with the Politics of Westminster and are struggling to get their voices heard.

I don't suppose we can remember a time when Politicians have collectively been held in such low regard and if we are to move forward positively, then trust and respect will need to be restored.

Let me take this opportunity, then, to say a word on behalf of those who do work hard and have recently been elected to serve locally.

Here in Great Ayton only six people stood for the Parish Council and were therefore duly elected unopposed. These folk do this role as volunteers because they care about our village and are trying to build up community. Whilst we may be able to put Political labels on some, in reality these are quite meaningless in our situation where what matters is if people are willing to roll their sleeves up and get involved.

Two of our Parish Council, Ron Kirk and John Fletcher, were on the Parish Council long before I came to the village in 1993. Over the years at village events like the Village Fetes I have seen John and Ron setting up on High Green when I have been out early in the morning walking my dogs. When everyone else has returned home tired out, they have still been there tidying everything up - and they may forgive me when I say they are not in the first flush of youth.

Angela Taylor and Judith Brown have taken on the role in more recent years, but have thrown themselves into it, trying to make Great Ayton run smoothly and be an attractive place to visit. It's not an easy task as resources get harder to come by, but as with the others on the Parish Council, they have led from the front in helping set up for events - even to (wo)man-handling the heavy wooden tables we used to have in the Church Hall, (We have donated these to the Parish Council!) They have helped oversee improvements in the village, as with the Cook Memorial Garden that you will read about further into *Spire*.

There are many day-to-day issues to be dealt with from the cemetery and grass cutting to the allotments, and commenting on Planning Applications in a fair-handed manner. With the support of Andy Snowdon, the Parish Clerk, they respond efficiently and professionally as they live amongst us and count us as friends.

This last election saw two new faces join the Parish Council in Sarah Botez and Tessa Snowdon, both Aytonians born and bred who also want the best for our village. Like all those who have gone before them, I am sure they will also do a good job, so please do give them your support and encouragement.

As the Vicar of Great Ayton I have always known that I can rely on the support of the Parish Council in supporting special occasions from Jubilees to Remembrance Sunday, and also attending All Saints Carol Service. They have organised Carols on the Green for over 40 years, and for over 25 years now we have commemorated Captain James Cook with a Parade of Sail on the Leven and a Service for Civic Leaders in All Saints Church. This keeps the Captain Cook connection alive, for that helps bring many visitors and their money into our village.

I am sure there will be some in the community with strong opinions of other things that we could be doing. Well, there is still a vacancy on the Parish Council for someone to fill to bring their good ideas along to.

So a vote of thanks to our Parish Councillors, past and present, for all the effort they have put in voluntarily on our behalf. Our community would be much the poorer without them. So the next time you bump into one of them down the village, stop and tell them.

## Paul

## Views in the Village

On an early morning walk passed the Cricket Club I spied this view of the Spire from across the fields. It almost looks like Cambridge and I didn't realise such a view could be had.

How many other places in the village have their own distinctive views of the Spire? There's only one way to find out, and that is take a photo next time you are out and forward it to me. We can run a series in Spire of the Spire, if you are inspired!?

# Springwatch Comes to Christ Church

Confirmation Candidates were taken by surprise a few weeks ago when they discovered a young visitor in the Church Porch.

Our resident Tawny owls had two owlets this year, and Plop was the first one down.

They remained on the ground for a few days, watched very closely by their parents, so if you ever see a small fluffy owl in the Church Car Park, then you have already been spotted well before by mum, dad or both! If you stray too close then you will be warned off.

Once Plop had made it into the trees, then his smaller sibling, Plip, came down, much to the surprise of the Drama Tea Ladies who spotted him as they left the Church Hall. Again, a couple of days later and it too was high in a tree.

*Can I come to Church?*

*Parent owl keeping watch*

It's a great joy to have such things happen locally, and it doesn't occur every year, but many thanks to neighbours, Scouts and Marwood School for treading carefully whilst the Owlets were about the car park. Thankfully they don't stay on the ground very long, but amazingly can soon fly high into the trees out of harms way.

Will you pray **Thy Kingdom Come** and join the global prayer movement which invites Christians around the world to pray between Ascension and Pentecost for more people to come to know Jesus Christ?

**Midday** 20 minutes with **live music** a bible reading, maybe a poem, with time for reflection & prayers - for folk out and about doing their shopping, visiting Coffee Shops, relaxing on Low Green. *Our final noon gathering is on Saturday 8<sup>th</sup> June.*

# Yorkshire Cancer Research

Great Ayton and District Committee

Mary Clay was a much loved, respected and dedicated member of the Great Ayton and District Committee of Yorkshire Cancer Research for 25 years. Being involved in so many groups and working in local shops, Mary always knew someone who would come and help at events and many are now part of our "extra committee". Mary introduced Carol James to the committee and she is just as loyal and committed as she was. We, and all our supporters will miss Mary making tea and coffee, selling cakes and sweeping up - a job she insisted on doing as no one else did it right! Mary you touched so many lives, you will not be forgotten. May you Rest in Peace.

*Carol & Mary having fun before the annual Cancer Lunch*

*Friends from Yorkshire Cancer Committee pay tribute to Mary as she leaves for the Crematorium.*

*The committee made Mary's Funeral Tea. There seemed almost as much on the table after people had eaten.*

## CONFIRMATION 2019

On Sunday 30<sup>th</sup> June at 6pm we will welcome the Bishop of Whitby to conduct a Confirmation Service and First Communion. This will be followed by Confirmation Tea in the Church Hall. As we have candidates from both Saint Oswald's and Christ Church, there will be NO 9.15am and 11am Service that day and we hope members of both Churches will come and support the Candidates.

Donations of finger food would be appreciated for the Confirmation Tea.

I came across this photograph of the Confirmation Service in November 1991. Can anyone identify all the Candidates?

The service was taken by Archbishop John Habgood who died earlier this year

## CHARITIES WE SUPPORT

The Children's Society is a national charity that runs local services to help thousands of children and young people who desperately need support. They also campaign to make sure laws are changed to make children's lives better.

**The  
Children's  
Society**

**No child  
should feel  
alone**

Originally named the 'Church of England Incorporated Society for Providing Homes for Waifs and Strays' it was set up in the late 19<sup>th</sup> century by Edward Rudolf, a Sunday school teacher and civil servant in South London. He found 2 of his pupils begging for food in the streets after their father had died. He set up small cottage homes to prevent children being sent to the workhouse. Work continued and the society gradually grew with its main feature being its insistence that children should not become long term residents in homes but be fostered or adopted. By the late 1960s, as 'The Church of England Children's Society', it had become one of the largest adoption agencies in the country.

Since that time the Society has evolved, becoming simply 'The Children's Society', and working with vulnerable young people aged 10 to 18. They concentrate on disadvantaged children including children in care or about to leave the care system, sexually exploited children, those affected by drink or drugs, those with mental health issues, those who are carers themselves, young refugees and any children with multiple problems.

Here in Great Ayton there has been a local fund raising committee since the 1960s. Over that time they have raised many thousands of pounds through various events and their annual Christingle service. Their work goes on as the need is still very much present in the UK.

# The Cook Garden

The site on Easby Lane of the Cook cottage that was moved to Fitzroy Gardens in Melbourne has undergone a major facelift. Overgrown shrubs have been removed, new paving and signage erected and some of the foundations of the cottage are now left on view.

Signs have been erected with historical notes about the obelisk, the local Mill and other features. In addition to these notes the signs also contain QR codes you can scan into your Smartphones that will tell you more.

This improvement has been undertaken by the Parish Council, who also arranged several days of celebration to open the garden. The official opening was done by Lord

Crathorne assisted by an Officer from the Australian Navy. Well done to all involved in this improvement. We get many visitors to the village exploring our Captain Cook connections. Have you seen them all?

## Being Christian

Led by our Diocesan Lay Development Adviser, Angela Bailey (photo) assisted by Jon Dean, this short course is based on former Archbishop of Canterbury Rowan Williams book 'Being Christian', there are four sessions:

<b>Baptism</b>	<b>3<sup>rd</sup> June</b>
<b>Bible</b>	<b>10<sup>th</sup> June</b>
<b>Prayer</b>	<b>17<sup>th</sup> June</b>
<b>Eucharist</b>	<b>24<sup>th</sup> June</b>

You can also use this to prepare for Confirmation in June.

Starting on Monday evenings at 7.30pm with coffee; we'll finish by 9.45pm.

Don't worry if you can't make all 4 sessions, each 'stands alone' .

Angela will use the Bible to support learning on each topic and also help us get more confident in finding our way around it.

**It would be helpful to have an idea of numbers – please email "Yes" or "No" or "Maybe" to [jaques132@gmail.com](mailto:jaques132@gmail.com)**

Here's what Jean and Mary said about the last course.

*Jean Mitchell "A privilege and delight to be part of this lively course, - discussed a lot, learnt a lot, laughed a lot, came home feeling uplifted."*

*Mary Boyce said this, "I really enjoyed the February course. I was inspired by it. I was so impressed with Angela – she was so lovely at putting things over. I went to the first session and just carried on - informal and enjoyable. If she does another course in the future, I'll be going"*

## Malcolm's Musings

A cricket enthusiast had three trays on his desk - "In," "Out" and "LBW." Asked what "LBW" meant, he explained: "Let the Blighters Wait."

A survey found multiple phrases across the country for describing heavy rain, including "lashing it down" in Manchester, "bucketing down" in the Black Country and "chucking it down" in the North East and Yorkshire, Glaswegians were likely to say it was "pelting down," while people in Birmingham and Bristol preferred "tipping."

From an exam paper: "The Philistines are islands in the Pacific."

Clerk of the court: "How do you plead, guilty or not guilty?" Defendant: "Not VERY guilty."

Letter to the Telegraph: "I was perturbed when our daughter said she wanted a "red cross body bag" for her birthday. I interpreted this as a Red Cross body bag but was reassured to find she wanted a red bag with a strap going across the body."

"Whenever you are asked can you do a job, tell them "Certainly I can." Then get busy and find out how to do it." - *Theodore Roosevelt*.

The skull and crossbones flags flown by pirates were originally red, not black, a Royal Navy exhibition explained. The blood red Jolly Roger signified no mercy would be given. But it was not only pirate ships that flew the Jolly Roger; Royal Navy submarines have adopted the practice since World War One after a critic likened their crews to pirates. - *Newspaper report*.

Three thieves mugged the owner of a jeweller's shop only to discover they had made off with the shop owner's packed lunch.

Chairman (eulogising guest speaker): "His integrity has never been questioned." Bored listener: "It has never been mentioned."
