

# Saint Oswald's Appeal

## *Newton under Roseberry*

Please help us raise £15,000 to improve facilities for all who use our beautiful 12<sup>th</sup> Century Church.

After many years of carrying water to Church, taking cups and glasses back home to wash and lighting the path with lanterns and an extension lead to the Porch light, the PCC have decided it's time we moved forward. We want to make life easier for all in the future and improve our facilities.

**Please Can You Help Us Improve  
Our Facilities For All?**

Our project includes:-

- Bringing water from the main road into the vestry.
- Utilising the trench for electricity to the lychgate and to have lights along the path controlled from Church.
- Installing a small kitchen with storage in the South side of the vestry.
- Making a hatch opening into Church through the stone balcony wall to make safer passage for refreshments into Church and back again.
- Making a new altar frontal chest.
- Equipping the kitchen area with crockery, water heater & coffee making facilities.
- New lighting, heating and decoration for the vestry.

We have made a start with some of the work before the wedding season started and hope to complete in the Autumn. Faculty permission has been granted.

**The Target Figure is £15,000**

The green cupboards are to go and a hatch through to Church in their place. (See photo below) This allows safer serving of refreshments than bringing them from behind a door. Table, water container etc. are to be removed and other items put in cupboards.

Electrics to be moved and the Sink put under window with cupboards along the back wall. A smaller altar frontal chest to be made to replace the larger bulky one.

New lights to light counter, cupboards and the desk.

Putting Kitchen Appeal in the Reference Box

**Or bring it in Person as we celebrate St. Oswald's Day  
on Sunday 1<sup>st</sup> August from 10am to 2pm.**

There will be a short service at 11am and hopefully, weather and Covid permitting, coffee & cake afterwards in the Memorial Garden.

If you can Gift Aid any donations, that will help greatly.

If we were to exceed our Appeal Target any surplus would be put into the Church Fabric Fund for further improvements.
