

Happy Easter!

from the Junior Fun Church at Fareham Methodist Church

These beautifully decorated eggs are from Poland.

Why is the egg a symbol for Easter? Certainly, it is a sign of a new life that we can have with Jesus. The shape can also remind us of the stone rolled in front of the tomb where they took Jesus' body after his death on the cross.

You might like to remind yourself of the Easter story by watching this:

<https://youtu.be/-M8Yesnt1V8>

God could not be trapped in a stone tomb. The joy of Easter is a sharing of the Good News that Jesus is with us in a new way.

You might like to celebrate Easter by decorating your own egg (make sure it is hard-boiled first!). You could have an egg hunt with the people you live with. Take it in turns to hide the eggs safely in your home or garden.

Wishing you and your family all the joys of Easter!

Have a good week everyone!
