Dear Colleague

Follow-up Talk on Chancel Repair Liability (CRL) on Friday 15 June 2007

You may recall that on 1 December 2005 Mr Nicholas Thomas of Blain Boland & Co., Solicitors, came to the Diocesan Office to give a talk on CRL. It was decided at that time to have a follow-up talk some 18 months later, and we have therefore arranged for Mr Thomas to return on Friday 15 June 2007 to speak at the Diocesan Office from 7.30pm to 9.00pm.

The purpose of the evening will be to follow-up on the suggested process set by Mr Thomas (a further copy of our letter in December 2005 is enclosed as a reminder of this), to discuss any difficulties you have encountered, and to seek possible ways forward regarding the question of registration by 2013.

I would be grateful if you would complete and return the enclosed form to me by Wednesday 28 February 2007 indicating whether you will be able to attend; and if so, whether there are questions you wish to raise and/or specific areas you would like to see covered.

Yours sincerely

Nikki McVeagh (Mrs)
Legal Liaison Officer
