Parochial Church Council (PCC) Membership Eligibility Criteria

Introduction

The purpose of this guidance is to set out the criteria for disqualification for an individual from standing for election to become a member of the PCC. The two main reasons for disqualification are that they are disqualified from being a charity trustee or because of an incident involving a child or adult at risk (vulnerable adult). This guidance has been prepared to assist potential PCC members being aware of these criteria to save any embarrassment after an election which would require them to stand down. All PCCs are charities therefore all members of a PCC are charity trustees.

In the event of a member of a parish being elected as a PCC member and subsequently being identified as a disqualified person then the PCC is required to notify the Charities Commission and may have to report the matter to the police.

Members will only be subjected to a Disclosure and Barring Scheme (DBS) check if a PCC sponsors and approves, in its own name, children’s work or work with vulnerable adults (e.g. a Youth Club, Sunday School, home visiting scheme for the housebound or a luncheon club for adults with special needs who require assistance with feeding or toileting). It does not apply to all PCCs; only those that sponsor and approve children’s work and/or work directly with vulnerable adults.

This guidance has been drawn up in accordance with information from the Charity Commission [www.gov.uk/government/organisations/charity-commission](http://www.gov.uk/government/organisations/charity-commission) and the Church of England Parish Resources website [www.parishresources.org.uk](http://www.parishresources.org.uk) and taking into account the relevant legislation; the Church Representation Rules and the Parochial Church Councils (Powers) Measure 1956 as well as the Church of England Practice Guidance: Safer Recruitment.
