In 2018 we were running a deficit of £0.38M.
This compares to a deficit of £0.43M in the previous year.
The Diocese’s financial strategy seeks to eliminate operational deficits within three years.

The financial contribution parishes make to support the work and mission of the Church locally is hugely appreciated. Thank you!
The information below gives a summary of our finances in 2018. To see our full accounts, as well as our story as a community of faith across Medway, north west Kent and the London Boroughs of Bromley and Bexley, over the year, please visit: www.rochester.anglican.org/diocese/annual-review-and-accounts/ or look out for a printed copy in your church.
